2026 CLASSIC CUTTING PROGRAM

Fundamentals of Haircutting

BUILD THE FOUNDATION. UNDERSTAND THE SHAPE. MASTER THE CRAFT.

A hands-on professional haircutting program built around **fundamental technique, precision and strong technical discipline.**

Designed for cosmetology students and developing stylists who want to understand **why a haircut works - not simply how to copy it.**

THE PROGRAM

2-Day Cutting Program

January 30th & 31st, 2027

WHAT YOU'LL LEARN

CONSULTATION & DESIGN
Head shape • Hair texture & density • Growth patterns • Silhouette • Creating the cutting plan (Blue print)

CUTTING FUNDAMENTALS
Tool handling • Body position • Precision sectioning • Guides • Distribution • TOE (Tension, over direction, Elevation)

UNDERSTANDING SHAPE
Solid lines • Graduation • Layering • Elevation • Weight control • Movement

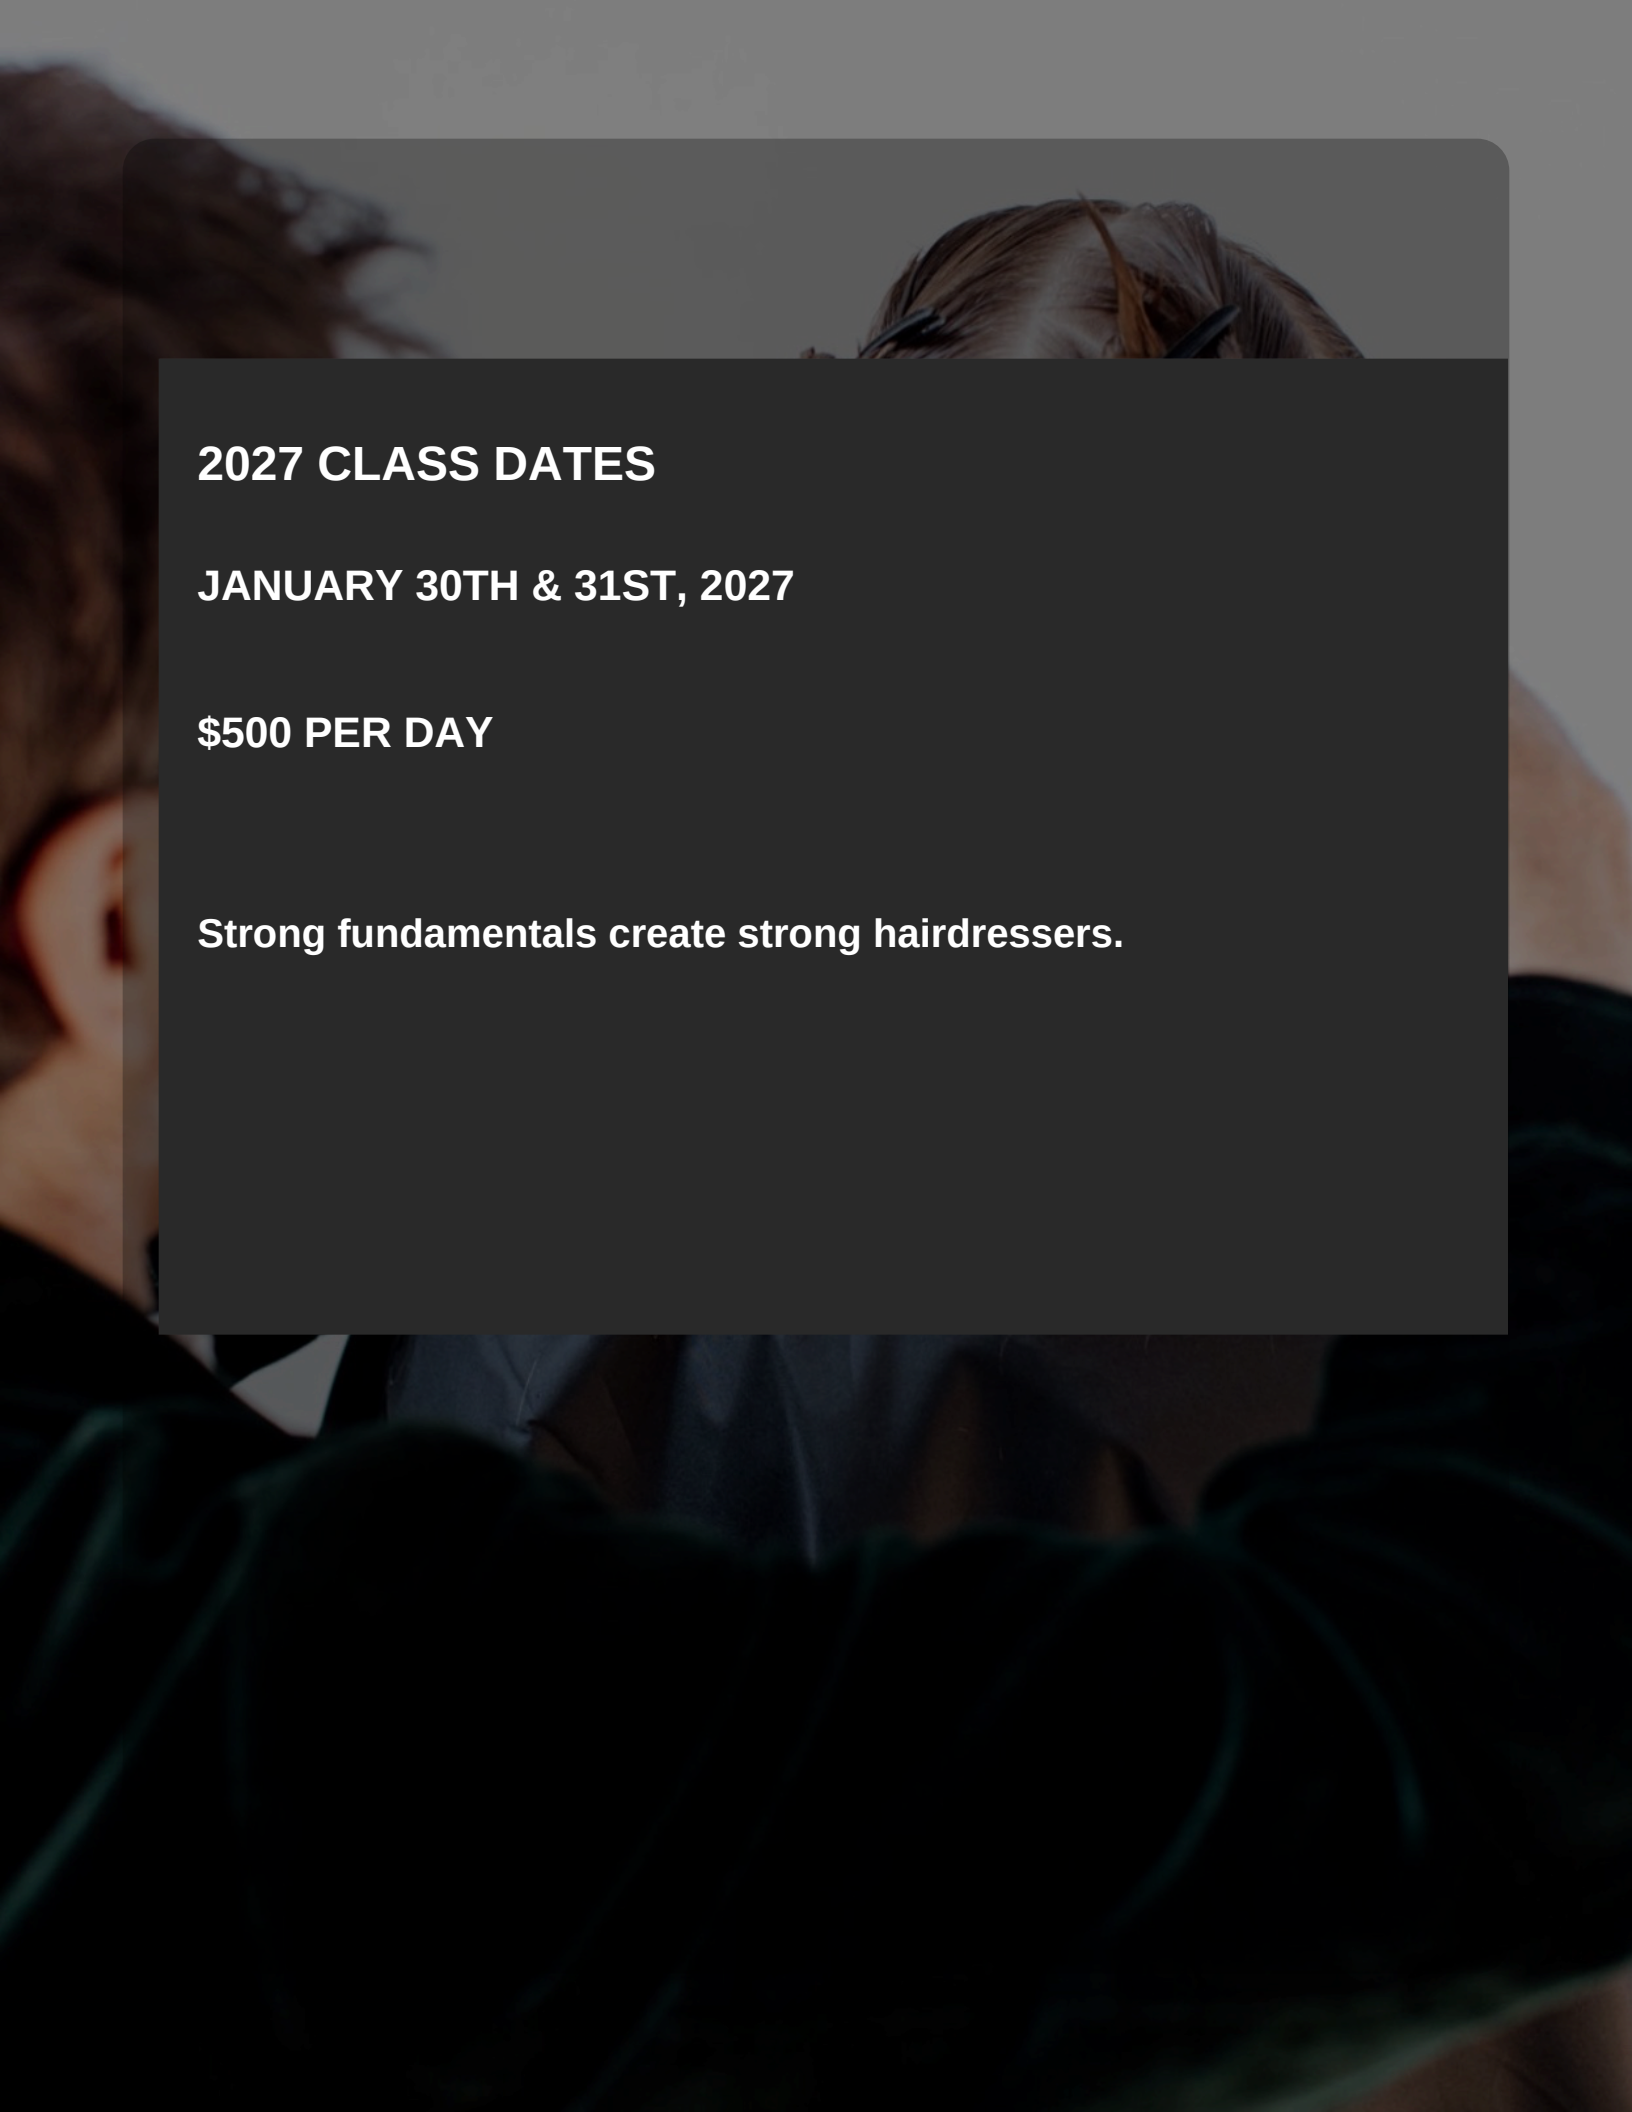
FINISHING THE HAIRCUT
Cross-checking • Refinement • Blow-drying • Styling • Understanding how the finish reveals the haircut

FROM CLASSIC FOUNDATIONS TO FORWARD FASHION

Learn the technical foundation that allows you to progress into more advanced and fashion-driven cutting, including:

Pixies • Bixie • Layered Shags • Strong Solid Lines • Modern Shapes • Forward Fashion Direction

“Fashion changes. Fundamentals give you the freedom to create.”



2027 CLASS DATES

JANUARY 30TH & 31ST, 2027

$500 PER DAY

Strong fundamentals create strong hairdressers.
