

Can You Listen While I Am Moving?

Pick and prime up a few known behaviors that you have on a verbal cue.

- Go to crate
- Go to mat
- 2 paws up
- Sit
- Down
- Others...

With the dog still, move and cue a behavior. What happened? Mark and reward when the dog does what you cued.

Movements can be anything.

- Bend over
- Stand up
- Swing your arms
- Turn around
- Walk away
- Walk towards
- Be creative but respectful.

Mistakes will happen. That is okay! This is FUN! Just cue the behavior and reward correct responses.
