

5510 Abrams Rd. Ste 126 Dallas, TX 75214

Full Time Registered Nurse Job Description

We are Regen Wellness where we focus and deliver services for functional medicine in East Dallas. We strive to help our patients feel better every time they visit by guiding them on their journey to total health and wellness. We were founded with the purpose of bringing awareness of functional medicine services and mindset to the Dallas area. We address root cause issues through holistic approaches and maximize patients' potential for self-healing and wellness.

Our integrative wellness solutions improve the lives of our clients. We educate and provide information in a completely transparent manner so that clients can manage their wellness better. We help our clients achieve their goals by addressing things such as overall wellness, chronic illnesses, autoimmune, detoxification, viral infections, weight loss, cancer, and more.

As a small, family-owned clinic, we hold the opportunity to grow and expand our offerings with the latest developments in functional medicine and trainings. We have a relaxed and fun working environment with both patients and team members where we truly consider us all the Regen Family.

Candidate Characteristics

- Outgoing personality and enjoys working with people.
- Comfortable with all IV related practices.
- Meets all state requirements and must be licensed and in good standing to the Texas Nursing Board.
- Exceptional verbal and written communication skills.
- High ethics and integrity.
- Ability to work independently and in collaboration with an intelligent team.
- Willingly adheres to all Regen IV Wellness policies and procedures and maintains compliance with all protocols.
- Unafraid to ask questions or provide feedback on process/protocol improvement opportunities.
- Integrates and contributes to the Regen team culture, lifestyle, customer service, outlook, and philosophies.
- Passionate and open-minded to the world of functional medicine.

5510 Abrams Rd. Ste 126 Dallas, TX 75214

Skills & Qualifications

- Licensed as a Registered Nurse (RN) in Texas and/or without Compact license.
- Two years of experience as a nurse in an acute care setting (ER, ICU, OR, Med-Surg, or similar).
- One year of experience administering IV therapy and injections.
- Impeccable charting habits following our standard charting processes.
- Comfortable using EHR software for charting and patient tracking.
- Demonstrated ability to work with a diverse community and provide services from a non-judgmental perspective.
- ACLS, BLS, active certification required.

Responsibilities & Duties

- Performs nursing assessment and evaluation under Regen IV Wellness' medical and nursing protocols.
- Administers two primary nursing services; intravenous therapy and intramuscular injections using prescribed formulas and array of vitamins, minerals, amino acids, botanicals, antioxidants, peptides, and other various medicines used in our protocols.
- Administers rapid nasal and throat swabs, finger pricks, venipuncture blood draws for testing.
- Administers ear and nasal insufflations. Assists clients with vaginal and rectal insufflations.
- Administers oxygen therapy as needed to clients.
- Uses electronic medical records to document client visits and therapies received.
- Under the provider's and nursing director's supervision, address and answer client questions using the Nursing Reference Guide and communicate to the nursing team any issues or adverse events.
- Exhibits use of therapeutic communication, exceptional customer service, professionalism, timeliness, efficiency, and teamwork in all aspects of work.
- Maintains a level of knowledge conducive to providing high quality, competitive and kind nursing care.
- Assists staff with other clinic services.
- Opportunity to participate in off-site nursing events, concierge services and special projects. Participate in periodical and mandatory nursing evaluations.
- Help ensure the office runs smoothly. All Regen team members support the office in a variety of tasks, including providing supervision and assistance to employees within the office.
- Helps clients by providing information, services, and assistance.
- Maintains medical supplies inventory and performing preventive maintenance to keep medical equipment operating.

5510 Abrams Rd. Ste 126 Dallas, TX 75214

-
- Verifies client information by interviewing client, recording medical history, and confirming purpose of visit.
 - Prepares clients for examination by performing preliminary physical tests; taking blood pressure, weight, and temperature; and reporting patient history summary.
 - Secures client information and maintains patient confidence by completing and safeguarding medical records; completing diagnostic coding and procedure coding; and keeping patient information confidential.
 - Advises patients through practitioner's orders.
 - Maintains safe, secure, and healthy work environment by establishing and following standards and procedures and complying with legal regulations.
 - Updates job knowledge by participating in educational opportunities and reading professional publications.
 - Serves and protects the practice by adhering to professional standards; facility policies and procedures; and federal, state, and local requirements.
 - Enhances practice reputation by accepting ownership for accomplishing new and different requests and exploring opportunities to add value to job accomplishments.

Work Hours & Benefits

This position is a W2 role and considered full time, 30-40 hours per week. Shifts run Monday-Friday 9-5.

Competitive salary range starting at \$40-\$45/hour. Benefits include eligibility for paid time off beginning after 90 days of employment including paid holidays.

Additionally, employee discounts, flexibility with in/out times, free training, continuing education, and tuition reimbursement.
