*THE EXECUTIVE  
14 STEP  
MAINTENANCE PROGRAM*

**1 . Hand Wash Exterior**

Unique foaming action lifts out dirt carefully. Special resins will bring paint back to a glossy finish.

**2. Soft Chamois Wipe Down**

We carefully wipe down your car with a soft chamois to remove any water spotting that might occur during the drying process.

**3. Tire Care**

Tires cleaned and rubber revitalized to give them that "Wet Look".

**4. Brake Dust Removal**

Rims, wire and mag wheels are restored to look like new.

**5. Windows, Interiors & Exteriors**

Special cleaning formula for windows to remove road grime, smoke residue and provide maximum clarity.

**6. Interior, Cleaning & Conditioning**

Detailed cleaning of your vehicle's interior, starting with your dashboard, vents, console areas, all door sides, backseat areas and all the interior trim. All these areas are cleaned and conditioned to give your car a brand new look.

**7. Vacuum Rugs and Upholstery**

Detailed vacuuming of the floors, seats and all those hard to reach areas.
