CART PLACEMENT

Place your carts at the curb or street edge with wheels and handle facing your house, or away from the street. Be sure there is a minimum clearance of 3 feet on all sides of each cart, including mailboxes, trees, cars, etc.

Proper cart placement allows our automated truck arm to safely reach the carts and empty them into the trash or recycling truck.

Please have all garbage and recycle carts in place by 6 a.m. on your pickup day.
