Firestarter Student Group & Clubs Grant Request

Purpose of this Grant: To ignite students within Weld RE-4 Schools at the secondary level (middle & high school) to engage in serving our communities of Severance, West Greeley and Windsor.

Our Mission: The Weld RE-4 Education Foundation strives to inspire innovation and empower success in our district students and teachers by:

- Providing more of the tools needed to develop Future Ready Skills;
- Recognizing excellence and fostering opportunities for continued success; and
- **Strengthening community engagement with our schools.**

Who Can Apply: With support of a staff advisor a student group or club at RMS, SMS, SHS, WMS & WHS can apply once per school year.

Impact: Must impact the Severance, West Greeley or Windsor communities or schools.

Amount: Up to $500

Please no more than 3 pages, for this grant.

NOTE: The Foundation Board will generally consider grant requests at the next regular Board meeting following each deadline for submission of grants. All purchases made for this grant is intended only for this grant's designated school and/or classrooms with the Weld RE-4 School District. The Board, in its sole discretion, may extend the deadline for applications and may consider applications at other times of the year. The Executive Director will thereafter notify the primary applicant if a particular grant has been funded, denied or if additional information is necessary for further consideration of the application. Thank you!
