

Dear Parents and Guardians,

Over the past 10 years, the Foundation has raised more than *two million dollars* to put countless more tools for innovation and collaboration into the hands of our students. Those tools include over a thousand Chromebook computers and iPads, musical instruments, 3D printers, robotics equipment, and so much more. As part of Teacher Appreciation Week in May, we invite you to participate in our eighth annual “Thank a Teacher” program, through which you can honor your child’s teacher(s) in a unique way and help us continue this important mission to foster innovation and empower success in our schools.

Through this program, each teacher or staff member within the district who is honored by a donation of \$10 or more will receive a certificate of appreciation from the Education Foundation that will include the name of the family/student making the donation (it will not include the amount of the contribution). Multiple gifts may be made if you would like to donate at least \$10 per teacher honored.

To participate, please complete the bottom of this notice and send it, along with a check made payable to the Weld RE-4 Education Foundation, to the address below. Please be sure to complete **ALL** requested information and submit it by **May 1st**, in order to help us deliver the honor certificates before the end of school year. Donations are tax-deductible as allowed by law.

Sincerely,
 Tina Martinez, Foundation President
 Kelly Moll, Executive Director

**Weld RE-4 Education Foundation
 2026 Thank-A-Teacher Program**

The enclosed contribution is made in appreciation of the named teacher(s). **Please print clearly.**
