

Small Bathroom Remodel Checklist

Use Vertical Space

- Install floating shelves above toilet or vanity
- Use wall-mounted towel racks or hooks
- Add tall, narrow storage cabinets

Choose Light Colors & Reflective Surfaces

- Paint walls in white or soft neutrals
- Use glossy tiles or finishes
- Install a large mirror to reflect light

Install a Walk-In Shower

- Replace bulky tub with frameless glass shower
- Add built-in shower niche for storage
- Use clear glass to visually expand space

Pick Space-Saving Fixtures

- Use wall-mounted or pedestal sink
- Choose compact toilet or corner unit
- Install vanity with drawers or open shelving

Add Bold Accent Features

- Use patterned tile on floor or one wall
- Add matte black or brass hardware
- Hang statement mirror or light fixture

Improve Lighting

- Install layered lighting (ceiling + sconces)
- Use LED mirrors or under-cabinet lighting

Small Bathroom Remodel Checklist

- Add dimmers for flexible lighting control
