Cosmetic Surgery Payment Options
Patient Financial Agreement

As patients approach surgery, they frequently need information about the various payment options and have questions about the potential insurance benefits. We hope the following information will be helpful.

A deposit of 10% of the surgical fee is required at the time of posting your surgery. The balance is due, in full, at your preoperative appointment but no less than two weeks prior to your surgery. We provide a number of payment options which may be used individually or combined according to your wishes.

CASH, CHECK, OR CREDIT CARD | We accept personal checks, cashier's checks, cash, Visa, Mastercard, Discover, and American Express.

CANCELLATION POLICY | We understand that a situation may arise that could force you to cancel or postpone your cosmetic surgery. Please understand that such changes affect not only your surgeon but other patients as well. The surgeon's time as well as the operating room staff, is a precious commodity, and we request your courtesy and concern.

PAYMENT ARRANGEMENTS | Prior to your surgery, please discuss all arrangements regarding payments of your account with us. If you have questions or need assistance with financial matters, please ask your patient care coordinator to assist you.
