# 4-IN-1 TRUCK WASH

**CONCRETE REMOVER** **CLEANER /DEGREASER**  
**WAXING AGENT** ***RUST INHIBITOR***

- **COST EFFECTIVE: 4-in-1 PRODUCT**
  - ✓ CONCRETE REMOVER
  - ✓ CLEANER /DEGREASER
  - ✓ WAXING AGENT
  - ✓ RUST INHIBITOR
- **WILL NOT ETCH PAINT OR DULL CLEAR COAT FINISH**

**What is it?** TRUCK WASH™ is a safe, biodegradable liquid compound that penetrates concrete, cement, grease, oil, grime and diesel soot leaving behind a deep shine.

**How does it work?** TRUCK WASH™ uses powerful organic ingredients that occur in nature, and the proprietary SuperStick™ bonding agent: causing it to adhere and attack cement, mortar and concrete deep down at its molecular level.

### How is it different?

#### NO HARSH ACIDS

TRUCK WASH™ contains no muriatic, hydrochloric, hydrofluoric, sulfuric or other industrial acids that destroy your equipment, are harmful to the environment and hazardous to use.

#### SAFE ON MOST SURFACES

TRUCK WASH™ is safe on : most aluminum, chrome, glass, metal (painted, coated or bare), hydraulic rams, electric wiring and fittings, fiberglass and rubber. It is not flammable.

#### MULTI PURPOSE PRODUCT

Concrete remover, cleaner/degreaser, waxing agent and rust inhibitor all in one.

#### RUST INHIBITOR

TRUCK WASH™ contains a rust inhibitor that, with regular use stops rust and helps prevent further corrosion.
