About Us

The Chesterton Schools Network (CSN) is an educational initiative of The Society of Gilbert Keith Chesterton, a canonical private association of the Christian faithful established in 2018 by Archbishop Bernard Hebda in the Archdiocese of Saint Paul and Minneapolis. The Network inspires and supports the launch and sustained operations of joyfully Catholic, classical, and affordable high schools with comprehensive curricula, operational toolkits, and services.

The Annual CSN Summit is our yearly gathering of founders, board members, headmasters, faculty and administrative staff from our member schools. The four day Summit features in-depth training, fellowship and prayer as participants gather in anticipation of the upcoming academic year. We expect well over 300 participants at this year's event.

Education is simply the soul of a society as it passes from one generation to another.
