- IDSC Application submitted 2/28/2023.
- Friends of Nameless School-Patti did a presentation on JNSA handed out a letter about us, lighting info, Children's books, and contact information. 11/12 in attendance. Patti said it would be a great place for an event.
- IDSW, thanks to Meshell, Patti, and Paul, we have advertised on the Marquee, received a "Proclamation" from COJ, event at the library. Carol Heath agreed to read "Lights Out" at story time on Thursday April 20. Colleen ordered four new Childrens books for the library. Paul and Patti Johnson donated six children's books. Books recommended by the IDA. Gaylon is creating an informative Night Sky display in the library for IDSW. Meshell sent in our proclamation to IDA.
- Lighting Consultation Info with Andrew-Meshell
- Meeting with COJ May 1st-Meshell, Lecia and Mark will attend. Agenda for meeting is attached.
- Darla chamber update on member directory
- Put JNSA on Next Door Neighbor as a non-profit environmental group. Page needs some work. They only allow 2 posts a month.
- **Vanessa Guadiana** is new to the city of Jonestown. *"I put together my GIS know how to implement the world artificial brightness data and some city points with a glow akin to light pollution and made this poster for your group. I'm also building out the Jonestown GIS website hub so I'm hoping to add a map about our local light pollution as well."* Flyer/poster attached.
- Texas IDA changed their name to DarkSky Texas. IDA is in the process of changing their name as well.
- Website needs to be updated with all our latest accomplishments including photos; Proclamation IDSW, Library, Cajun Fest, Nameless School. What about creating a login on our website or a place where we can store our agenda's, minutes, photos, letters, letterheads, important documents. Thoughts.
- Cajun Fest Takeaways-Meshell
