Not Present: Laura Gatannah, Colleen O'Brien, Ann DePrato

Approve January 2023 Meetings Minutes

Secretary/Treasurers Report – 5 minutes

President Report – 5 minutes

IDA APPLICATION – Subcommittee update – 10 Minutes

We have submitted our rough draft of our IDSC to the JNSA committee for review.
We are submitting our application by February 28th.

I want to thank everyone for all your help and hard work in getting to this point.

David, thank you for creating and keeping up with our JNSA Action List.

After reviewing the items, I am amazed what we have accomplished in this short period.

ITEM #1 Hollows Annual HOA Meeting 2/25/23– 10 minutes

We will have a table with educational information (brochures and our president's letter to local HOA/POA's) and a light display. Colleen and/or Mark have graciously offered to give a short speech. This will be done at the end of their meeting. Meshell time frame??? It will be short and to the point.

Items needed:

Table/tables, table covers, lighting display, extension cord, signup sheet/clipboard, brochures, HOA/POA letter from our President, posterboard and easel.

ITEM #2 – BE A STAR Program – 10 Minutes

What if we approached the lighting examples we are submitting and nominated them to be a BE A Star??? Trying to figure out how to get this program off the ground especially before Cajan Fest.

Ideas would be greatly appreciated.

ITEM #3 – Community Commitment to Dark Skies and Success in Light Pollution Control

We must continue our efforts and need to work on Business and Residential lighting projects we can use as examples.

2023 Events

Hollows Annual Members Meeting, **2-25-23 9:00-12:00**
