

**Jonestown Nigh Sky Advocacy Committee**  
**Monthly Meeting**  
**May 22, 2023**

**Called to Order:** 5:35pm

**Attended Meeting:** Colleen O'Brien, Anne Morley, David Morley, Mark Grossman, Meshell Counterman and Lecia Ellis

**Approved February and April Meeting minutes-** All approved

**Treasurer Report:** Bank balance \$2,452.00

**President's Report:**

Wrote a letter to Mayor, City Manager and Cindy Jolly regarding the two future eclipse events coming up in the next year.

Exec Director of North Lake Chamber of Commerce, Jennifer Sandoval, would like the Jonestown Night Sky and Lago Night Sky group to work together reporting to Chamber.

Met with Pt Venture leaders to discuss our IDA mission and our journey to work towards our IDA Certification. Around 30 people attended. They are very supportive. We will start sending PV flyers for our future events.

May 1<sup>st</sup>, Mark, Meshell, and Lecia met with City of Jonestown to discuss the process for citizens to direct comments, questions, and concerns regarding lighting. They also discussed the possibility for Andrew Gauld to act as a consultant to review lighting plans and inspect before a Certificate of Occupancy is granted. City is discussing this idea.

May 11<sup>th</sup>, Mark, and Lecia met with the City of Jonestown City Council, and other local leaders to educate them on our mission and our journey to work towards our IDA Certification.

**General Updates:**

Website to be updated with meeting minutes notes and agendas.

T-shirts: New ideas and Anne to research prices on other kind of shirts.

Mark wrote an article for the North Lake Travis Chamber annual publication regarding the Eclipse on April 8, 2024.

Meshell to contact Andrew Gauld about doing a Jonestown Night Sky Advocacy education presentation for POA leaders, City leaders, City business owners, etc.

Lecia filled out the requested IDSC checklist for our Ordinance details and events. It was sent back to Amber Harrison at IDA.

We should all review the Hill Country Alliance webpage for Eclipse information for the October 7<sup>th</sup> Partial Eclipse.

**Next meeting to be held on June 12, 2023, at 5:30pm**

**Meeting adjourned at 6:44pm.**
