Packing and unpacking

Power wash - We can pressure wash your home, deck, patio, fence or driveway and make it look like new.

Yard Work - Not only is your yard work covered but other services including leaf removal, and annual gutter cleaning.

Carpet and upholstery 'Steam Cleaning' Carpet Cleaning - We will remove seemingly insurmountable problems such as pet urine and odors, rust, ink, gum, tar oil and grease, red stains, and caffeine and tannin.

Construction Clean-Up - Home renovations generate dust and dirt in every corner. To get rid of the grit, we provide “industrial-strength” cleaning services that include all the tasks listed above, as well as the removal of contractor debris, such as nails, staples, and drywall pieces. When your contractor has left your home in what the industry calls a “broom clean,” state, The Green Choice applies “white glove” standards to make your home sparkle again.
