## Weekly GLA Family Newsletter

January 23, 2024

### PRINCIPAL'S CORNER

It seems like the Chicago winter held off until 2024 but it has hit us with force the last couple of weeks. Given how our weather usually is we can probably expect another 2 months of cold, snow, and ice. I wanted to provide a couple of weather-related reminders as we navigate the rest of this winter:

- Always assume GLA will not be closed for weather unless you receive communication of closure from us.
- We typically follow Chicago Public Schools' decision on school closures. However, we reserve the right to make our own decision on whether we close or remain open.
- As stated in our Family Handbook, we will always notify families no later than 7am if school will be closed. In practice, we will always attempt to notify families earlier if possible.
- If you send students to school in snow boots, please send a pair of shoes in their bag they can change into during the school day.
- When school is in session, we are required by law to take attendance and attendance counts.

I have noticed that attendance has slipped in the last couple of weeks. I know that travel is more challenging when the weather is cold or snowy but it is important to make sure your child is here everyday. Each day of absence means missed instructional time which creates or adds to gaps in learning that build over time. Every day matters!

### **Power Parents Meeting**

Great Lakes Academy's Power Parents meeting will be Monday, January 29th @ 5:00pm.

### **Reflection Forms**

The Culture and Climate Team has prepared each classroom with reflection forms.

Scholars are asked to complete the reflection form in the calm corner/ reflection desk after receiving two deductions. The reflection form is used to reset the scholar's behavior inside the classroom to prevent a behavior reset/referral in the dean's office. Parents are expected to review, sign, and return the form the next day to acknowledge awareness and encourage parental support about the incident.

### Uniform Reminder

As the winter season approaches, we would like to remind everyone that scholars are not permitted to wear inclement weather footwear (snow or rain boots) during class hours. They should bring a change of shoes. This policy is in place to maintain a clean and safe learning environment.

We appreciate your cooperation in ensuring that our classrooms remain conducive to effective learning. If you have any concerns or questions, feel free to contact us.
