

Great Lakes Academy 2026-27 School Supplies List

Please label all supplies with your child's name. Families are responsible for replenishing classroom supplies such as pencils, notebooks, binders, crayons, and glue sticks throughout the school year as they run out. **Shared items** – paper towels, tissue, disinfectant wipes, and hand sanitizer – will be pooled for schoolwide use.

When to Bring Your School Supplies:

Please send all school supplies with your scholar on their first day of school.

Kinder-2nd:

It is important that you provide your scholar with an additional pair of underwear, pants, and socks to be kept in their locker, as **we do not have any extra.**
