# Hardware & Construction

## Base Door Colors

\* Window frames and designs come in white on almond, sandtone and desert tan doors unless otherwise specified.

## Overlay Color

## Presidential Premium Option

- Presidential Premium provides a completely vinyl covered surface.
- Vertical tongue and groove vinyl boards are applied over the steel surface.
- Design trim boards are applied over the vertical boards in any of the designs described in this brochure.
- Presidential Premium is available in white only.

\*Above door is painted gray to highlight the vertical boards. Actual product is only available in white.

## Details

- Base door and overlay material are woodgrain textured.
- 18 designs available
- Overlay color is available in white only.
- Presidential Series doors are available up to 10' in height. Windows are available in most heights; however, doors over 8' may be more aesthetically pleasing without windows. Customized sizes over 10' are available. Please consult your dealer for details.
- 5 window designs available.
- The Presidential Series base and overlays can be painted. Safe-Way specifies Sherwin-Williams® VinylSafe™ paint colors only (available in Sherwin-Williams Duration® Exterior Coating or SuperPaint® Exterior Paint). Failure to use this paint will void the product warranty.

## Handles

## Hinges

\* 4 steel strap hinges and 2 steel handles. Additional items are optional.

## Decorative Hardware

## Steel Breakout

- A. Finish Painted Coat
- B. Primer Coat
- C. Galvanized Layer
- D. Steel

## Door Construction

- A. 11 ball nylon rollers provide quiet operation and long lasting durability.
- B. Heavy duty galvanized 14 gauge hardware
- C. Tongue and groove design provides weathertight section joints
- D. 2" expanded polystyrene insulation provides an R-Value of 10.25.
- E. Steel skins inside and out provide maximum durability.
- F. Aluminum bottom retainer with vinyl weatherstrip.
