## WHAT OUR CLIENTS SAY

CLI Services has always done an exceptional job at a fair price. We appreciate that CLI has great expertise and are fantastic problem solvers. With 207 buildings spanning over 16 million sq. ft. DPS contracted with CLI on numerous sustainability projects including lighting retrofits, energy audits, consulting, construction management, and rebate acquisition and processing.

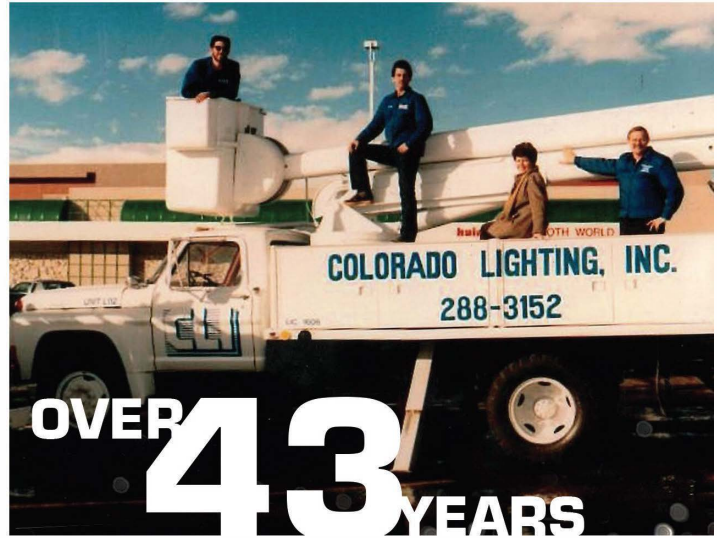

– Jim Faes  
Director of Sustainability, Denver Public Schools

CLI Services is our dedicated lighting provider. We've done business with them for over 25 years and we never have to worry! CLI has successfully maintained and improved our lighting and electrical all while meeting the City of Boulder's stringent energy code.

– Wayne Schacher  
Facility Manager, Ball Aerospace & Technologies

CLI Services is our most trusted subcontractor and has been a vendor with us since 1977. They have exceeded our expectations and always give outstanding and excellent service.

– Paul Karlin  
Federal Heath - Visual Communications - Sign Company

Founded in 1977, CLI has steadily grown. We're a certified woman owned company that provides energy efficient turnkey solutions from consultation through installation including recycling and warranty administration. We employ Certified Lighting Consultants, Journeymen and Master electricians and Certified Lighting Technicians. Our lighting and electrical crews drive fully stocked service vehicles and our expansive fleet includes bucket trucks, cranes and scissor lifts. We offer 24 hour on-call service.
