WHO WE ARE

Wepa Commercial Cleaning LLC is a distinguished military veteran-owned and operated commercial cleaning, janitorial, facility maintenance, disinfecting, floor care, and drone window cleaning company established in 2018. Recipient of the **2024 SBA Small Business Person of the Year** and **2023 SBA Veteran Small Business of the Year** awards, with over **50 million square feet of electrostatic disinfecting experience**, Wepa is known for professionalism, reliability, innovation, and mission-focused service.

WHY WEPA

Commitment to Excellence — Customer satisfaction, operational accountability, and the highest military standards in every facility we service.

Tailored Teams & Quality Control — The right team on every project, held to strict performance and safety standards, with a QC inspection system built on transparency and client involvement.

Industry Leadership — Proven janitorial, floor care, disinfecting, and facility maintenance performance across high-traffic, secure, public-sector, and mission-critical facilities.

★ INNOVATION DIFFERENTIATOR

HIGH-RISE DRONE WINDOW CLEANING

Advanced drone systems clean exterior glass on high-rise buildings, government facilities, ports, and campuses — safer, faster, and with no lifts, ladders, or rope access required.
