

PURE

MULTI-PURPOSE & FLOOR CLEANER

Environmental monitoring and protection are the critical must-have in our operation. It is non-negotiable, and we must be successful. The group at PURE Bioscience have this same mission, so the partnership is obvious.

– **Marcus Shebl**,
Vice President of Operations, Taylor Farms California

PURE® Multi-Purpose Cleaner is a non-toxic, environmentally responsible cleaner designed to complement PURE® Hard Surface disinfectant. It is used in successful sanitation practices where high-foaming cleaners aren't desirable, including food processing plants, commercial kitchens, healthcare facilities, and more.

Quick, Effective, and EASY TO USE

- Rinses easily without leaving a film
- Use in manual operations and floor scrubbers
- Can be diluted at various ratios to meet your cleaning needs
- Odorless and non-caustic, non-irritating

PROFESSIONAL STRENGTH CLEANING

- Non-Toxic
- Low Foam
- Economical
- Environmentally-Responsible Formula

NO Bleach, Ammonia, or VOC-Emitting Compounds

PURE Multi-Purpose & Floor Cleaner Concentrate is protected by Silver Dihydrogen Citrate (SDC), our non-toxic antimicrobial. SDC ensures the quality and safety of PURE Multi-Purpose & Floor Cleaner Concentrate without human or environmental exposure to toxic chemical preservatives.

PURE Multi-Purpose & Floor Cleaner: Technical Specs

Our Technology

Our patented Silver Dihydrogen Citrate molecule has revolutionized food safety. It is one of the most powerful antimicrobials in the industry, and it is non-toxic. SDC is an electrolytically generated source of stabilized ionic silver that can serve as the basis for a wide range of products in diverse markets. PURE produces and markets pre-formulated, ready-to-use SDC-based products and varying strengths of SDC for use as an additive for inclusion in other products.

Features

- Won't strip wax from floor
- Safe for use on glass, mirrors, sealed marble and wood, whiteboards, porcelain, tile, resilient floors, and more.

Application

- PURE Multi-Purpose & Floor Cleaner can be diluted at various ratios to meet your cleaning needs. Dilute as directed on the label. Use manually or with cleaning equipment.

Pair with PURE Hard Surface for Best Results

Add PURE Hard Surface to disinfect all other hard, non-porous surfaces for complete protection.

PURE Multi-Purpose & Floor Cleaner Concentrate

Size	PURE Item #	Units/Case	Cases/Pallet
