

PURE HI-FOAM

Environmental monitoring and protection are the critical must-have in our operation. It is non-negotiable, and we must be successful. The group at PURE Bioscience have this same mission, so the partnership is obvious.

— Marcus Shebl,
Vice President of Operations, Taylor Farms California

PURE® Multi-Purpose Hi-Foam Cleaner is a versatile, high-foaming cleaner that adjusts to your needs. This economical, dilutable concentrate produces long-lasting, high-density foam. PURE Hi-Foam Cleaner is designed to complement PURE® Hard Surface disinfectant and is used in food processing facilities, commercial kitchens, transportation, and other industries looking to improve their sanitation practices.

Quick, Effective, and EASY TO USE

- Rinses easily without leaving a film
- Non-corrosive and non-irritating
- Adjust foam viscosity to meet your needs
- Economical concentrate
- Designed for use in high-foam applicators

APPLICATIONS

- Food processing equipment
- Spiral freezers
- Belts
- Conveyors
- Walls & Floors
- Drains
- Many More

NON-TOXIC, Environmentally Responsible Cleaner

Our environmentally responsible cleaner contains no EDTA, phosphates, ammonia, bleach, or VOC's. PURE Hi-Foam Cleaner is protected by Silver Dihydrogen Citrate (SDC), our non-toxic antimicrobial. SDC ensures the quality and safety of PURE Hi-Foam Cleaner without human or environmental exposure to toxic chemical preservatives.

PURE Multi-Purpose Hi-Foam Cleaner: Technical Specs

Our Technology:

Our patented Silver Dihydrogen Citrate molecule has revolutionized food safety. It is one of the most powerful antimicrobials in the industry, and it is non-toxic. SDC is an electrolytically generated source of stabilized ionic silver that can serve as the basis for a wide range of products in diverse markets. PURE produces and markets pre-formulated, ready-to-use SDC-based products and varying strengths of SDC for use as an additive for inclusion in other products.

Features

- Won't strip wax from floor
- Shines stainless steel
- Safe for use on glass, mirrors, sealed marble and wood, whiteboards, porcelain, tile, resilient floors, and more.

Application

- PURE Multi-Purpose Hi-Foam Cleaner Concentrate can be diluted at various ratios to meet your cleaning needs. Dilute as directed on the label. Use manually or with cleaning equipment.

Pair with PURE Hard Surface for Best Results

Once cleaning has been completed, treat with PURE Hard Surface.
