May 10th, 2025

SATURDAY 1PM & 6PM SHOWS

Edora Pool & Ice Center (EPIC) 1801 Riverside Ave. Fort Collins, CO

Dear Friends of the Ice Extravaganza Ice Show,

Thank you for attending “Imagination”—the fourth ice show produced by the Fort Collins Figure Skating Club! We are so grateful that you came, and we hope you enjoy our skating showcase inspired by the characters and magic of Disney!

2025 Ice Extravaganza is made possible with the dedication of our coaches, especially our Ice Show Director Denaysa Sisemore and Co-Directors Calvin McConnell and Kassie Hawley, the volunteers, the parents, and our amazing Fort Collins Figure Skating Club skaters. The FCFSC Board of Directors thank our coaches for their creative choreography, musical artistry and teamwork to create such a magical experience highlighting over 130 skaters of all ages! The Board also thanks all the skaters and families who have sacrificed time and energy to attend rehearsals and to support our club’s mission for an experience built on collaboration, inclusiveness, and fun. FCFSC is grateful to our financial donors who have helped offset the hefty expenses for this event and to our community for their support of diverse sporting and artistic opportunities. Lastly, we thank EPIC’s staff who have worked hard to make this rink a dreamscape of ice and lights!

For some of our skaters this is the first time performing in the Ice Show and for some this is their Senior Solo. For all skaters, we hope you are taking the time to enjoy every moment of the 2025 Ice Extravaganza. To our audience, we hope you allow yourself to experience the magic our skaters have worked so hard to create.

Now, it’s showtime!

Takeaway Memories from Skating

Skating has given me my favorite people. I've never been a part of a more welcoming community. Skating taught me resilience, perseverance, and what can be achieved by a ton of hard work.

My favorite skating memory is when I went up to a girl in a pink jacket on public ice and asked if she could teach me a 2 foot spin. This memory is my favorite because this girl (Addie) soon became my absolute best friend. I also loved our "All that Jazz" duet that people mistook for a comedic impression program. My very best memories were made with the people I met, who are all my best friends. I have had a few difficult years in high school but skating was always a constant reprieve from everything else. I owe the Fort Collins Figure Skating Club more than I could ever give back.

Favorite Disney Movie: *Tangled*

Congratulations!

Takeaway Memories from Skating

Skating has allowed me to maintain a healthier lifestyle and better my teamwork skills while making new and lasting friendships. Skating also allows me to pursue a different outlet utilizing my dance skills. Being a part of the Aspire 4 Synchro Team has been my most favorite experience so far. Going to California to participate in the Pacific Coast Sectionals is also a favorite memory.

Favorite Disney Movie: *Tangled*

EMILY DAVIS

Future Plans:

Going to Paul Mitchell to get my cosmetology license.

Takeaway Memories from Skating

Skating has taught me how to manage my time with my crazy work schedule and going to school. I have learned how to have fun and to express my emotions through skating. It has also helped me become a strong leader and how to teach and work with kids. My favorite memory is my first ice skating competition with my synchro team. It was fun traveling for the first time with them and getting 3rd place.

Favorite Disney Movie: *Tangled*
