Dear Road Trippers,

We hope your bags are packed, you've gotten your road trip snacks from The Eagles Nest, and you have settled in as our skaters take you on a road trip during the Fort Collins Figure Skating Club's 5th annual Ice Extravaganza!

The 2026 Ice Extravaganza is made possible with the dedication of our coaches, especially our Ice Show Director Denaysa Sisemore and Co-Director Kassie Hawley, the volunteers, parents, and our amazing Fort Collins Figure Skating Club skaters. The FCFSC Board of Directors thank our coaches for their creative choreography, musical artistry, and teamwork to create an amazing experience highlighting over 80 skaters of all ages! The Board also thanks all the skaters and families who have sacrificed time and energy to attend rehearsals and to support our club's mission for an experience built on collaboration, inclusiveness, and fun!

FCFSC is grateful to our financial donors, especially this year, whose donations were needed more than ever as we road tripped to NoCo while our home rink of Epic was undergoing renovations.

We would not have the opportunity for our annual ice show without the NCYH welcoming us to their rink, collaborating with FCFSC, and working hard alongside us to create this rink a dreamscape of ice and lights!

For some of our skaters, this is the first time performing in the Ice Show, and for some, this is their Senior Solo. For all skaters, we hope you are taking the time to enjoy every moment of the 2026 Ice Extravaganza. To our audience, we hope you allow yourself to road trip across the country and see the sights our skaters have worked so hard to create.

Lastly, we want to take a moment to honor the man on our road-tripping Zamboni. Our FCFSC grandpa and a man who is missed so very much, Rick Robbins. Although we deeply miss seeing him in the stands cheering for his granddaughter Ava, we know he is watching over us with the same joy he always had watching his favorite skater and her friends. We love and miss you, Rick!

Now it's showtime!

Fort Collins Figure Skating Club
Board of Directors

Supporting the Fort Collins Figure Skating Club ice show means investing in youth development, community arts, and the joy of local talent—especially during a time of unprecedented financial strain. The annual ice show showcases the dedication, discipline, and creativity of skaters who train year-round, while bringing families and neighbors together for an entertaining, affordable community event. This year, rising operational and ice-related costs have created significant financial constraints for the club, making community support more critical than ever. Proceeds from the show help offset these increasing expenses and fund coaching, ice time, and opportunities that keep figure skating accessible to skaters of all ages and skill levels. By supporting the ice show, you're not only enjoying an inspiring performance—you're helping young athletes build confidence, teamwork, and lifelong skills while strengthening the Fort Collins community.

THANK YOU

NOCO ICE CENTER

When we learned that our home rink at EPIC would be closed for maintenance this summer, our club planned ways to keep our skaters developing on ice while we were displaced. NoCo Ice Center allowed this to happen. We are deeply grateful for NoCo's hospitality. Thank you for welcoming us warmly to our temporary home and for your dedicated interest in helping our area skaters, hockey and figure alike!

This year, we lost a beloved member of our skating community to a tragic accident. Rick Robbins had deep ties to Northern Colorado hockey and figure skating, and his warm-heartedness and generosity is sorely missed at our rink and beyond. We keep his memory and spirit with us each time we step onto the ice.
