Dear Community Member,

On behalf of the Fort Collins Figure Skating Club, we invite you to support our programs focused on developing our members. FCFSC strives to help our skaters grow as both individuals and athletes learning discipline, resilience, and teamwork with the confidence to try again after every fall. Our efforts support every facet of our mission: from maintaining safe, high-quality ice time, to offering accessible programming, to providing coaching that builds not only strong skaters but strong character.

Five years ago, FCFSC took over full production of the annual ice show from the City of Fort Collins. This has been a massive endeavor for our non-profit organization, costing over \$60,000 each year and relying heavily on our volunteers to run and promote. We continue the show because it is valuable both as a decades-long tradition and a springboard event which motivates local community members to enroll in the City's Learn to Skate Program and join FCFSC.

This year we face an additional challenge. This summer our home rink at EPIC will be closed for facility maintenance. We will face added costs as we bridge this gap, purchasing ice time and renting training space at other facilities so our skaters can continue developing. Your sponsorship will ensure FCFSC's legacy and allow us to support our current and future athletes for years to come.

Today, we're inviting you to become a FCFSC sponsor. Your sponsorship will allow our athletes to grow in an environment that values effort over perfection, camaraderie over competition, and personal growth above all. Thank you for considering investing in Fort Collins Figure Skating Club and our member's bright futures both on and off the ice!

Gratefully,

Heidi Early, FCFSC Marketing Chair

Sponsorship Packet

2026 FCFSC Sponsorship Benefits per Level

	Pewter (\$250-499)	Bronze (\$500-999)	Silver (\$1000-2499)	Gold (\$2500+)
