Our Customer Satisfaction Pledge & Commitment

A personal promise of quality, honesty, and complete peace of mind for every homeowner.

The \$0 Money Down Guarantee

We do not ask for any money upfront. You pay \$0 until your roof or gutter installation is 100% completed, thoroughly cleaned up, and inspected to your total satisfaction.

1. On-Site Owner Supervision & Accountability

Every job is overseen directly by ownership on-site. You will never be handed off to sub-contractors or third-party project managers. We treat your property with the same care and respect as our own family homes.

2. Premium Materials Built for New England Weather

We strictly install top-grade architectural shingles (including IKO Cambridge & Dynasty series) and heavy-gauge .032 seamless aluminum and copper gutters. Every installation is engineered with proper ice & water shield protection and balanced attic ventilation to withstand severe winter freezes, ice dams, and heavy rainstorms.

3. Transparent Communication & Honest Quotes

No hidden charges, surprise add-ons, or pushy high-pressure sales tactics. We provide detailed, written proposals upfront and return every customer phone call or inquiry within 24 hours.

4. Complete Property Protection & Spotless Clean-Up

Before work begins, we protect your landscaping, shrubbery, decks, and walkways. Upon job completion, our crew performs multiple magnetic sweeps of your lawn and driveway to collect stray nails and construction debris.

Licensed & Fully Insured

Fully licensed Massachusetts roofing contractors holding comprehensive General Liability and Workers' Compensation insurance for your complete protection.

Long-Term Warranties

We back our work with robust workmanship warranties alongside fully transferable manufacturer lifetime material guarantees.

"Our family name is on every project we take on. We take pride in building long-lasting relationships with MetroWest homeowners through exceptional craftsmanship and unwavering reliability."
