State-of-the-art Aesthetic Periodontal & Dental Implant Clinic Coming to Boerne

BOERNE, TX February 27, 2025 -- Dr. Alexandra Brummerhop, a board-certified aesthetic periodontal and dental implant specialist, announced today that her independent dental specialty practice, Pearl Periodontics, is opening this winter in Boerne, Texas. Brummerhop said, “the mission of our practice is to provide patients with the most advanced periodontal care, and we are excited to establish our practice here, in Boerne.”

Dr. Brummerhop, a dental implant and aesthetic specialist whose career includes being a clinical professor at UTHSCSA dental school, added, “through my career I’ve been preparing for this opportunity to open my private practice and focus on high-tech periodontal care. I’m excited to establish both my practice and my family home in the Boerne area.”

Pearl Periodontics is a specialty periodontics practice that has just begun scheduling new patients. The clinic is located at: 116 Herff Rd #106, in Boerne.

Patients and referring physicians who would like to consult with Dr. Brummerhop or learn more about the practice should visit pearlperiodontics.com or call 830-461-5554 for up-to-date information.
