

Celebrating FY26

A year of unprecedented growth, extraordinary generosity, and life-changing healthcare made possible by our community.

CLINIC™

Executive Director Message

Dear Friends,

As I reflect on this remarkable year at the Healing Bridge Clinic, my heart is filled with gratitude. Every milestone we celebrate is the direct result of God's faithfulness and the generosity of volunteers, donors, churches, healthcare partners, and friends like you who believe in our mission.

FY26 was the most significant year in our history. Patient demand reached record levels, volunteer engagement continued to grow, and our community responded with overwhelming generosity. Together, we expanded access to care while welcoming hundreds of new patients seeking a medical home.

Behind every statistic is a person whose life has been changed. A diabetic whose blood sugar is finally under control. A cancer patient connected to life-saving treatment. A family no longer forced to choose between groceries and medication. A neighbor who discovered hope after believing they had nowhere else to turn.

One of the defining moments of this year was the closure of another charitable healthcare clinic in our county. For hundreds of uninsured individuals, uncertainty quickly became reality. Healing Bridge Clinic was honored to respond by welcoming many of these patients into our clinic family while expanding clinic schedules, recruiting additional volunteer providers, and strengthening partnerships throughout our community.

As we look ahead, we know the need will continue to grow. Our commitment remains steadfast. We will continue expanding access to primary and specialty care, investing in technology, strengthening healthcare partnerships, recruiting volunteer medical professionals, and ensuring every uninsured neighbor has access to compassionate, Christ-centered healthcare.

None of this would be possible without you.

Whether you volunteered, donated, prayed, sponsored an event, or shared our story, you played an essential role in every life touched this year.

Thank you for believing in Healing Bridge Clinic.

Together, we are changing lives.

With heartfelt gratitude,

Mike Conaway

Our Volunteers: The Heartbeat of Our Clinic

The impact of your support

When Maria first walked through the doors of the Healing Bridge Clinic, she was carrying the heavy weight of being unemployed, uninsured, and facing health challenges with no clear way forward. A friend had recommended our clinic to her, but after past experiences with healthcare, she didn't know what to expect.

What she found inside changed her life.

"From the moment I walked through the doors, everyone was kind, professional, and attentive to my needs," Maria shares. For the first time, she felt truly valued as a patient. Our healthcare providers listened closely and took the time to answer all her questions with genuine compassion. And because medical terms can be daunting, having our Medical Assistant Domenica Brown there as a Spanish interpreter made a world of difference. "Her kindness and caring heart made me feel like I was part of the family," Maria says.

Through the clinic's comprehensive services – ranging from family medicine and dental care to physical therapy, vision care, and dermatology – Maria received the complete care she needed to heal. Our team didn't just treat her physical symptoms; they supported her emotionally during one of the hardest chapters of her life, completely free of charge and without a shred of judgment.

Because of that full recovery, Maria found the strength and health she needed to step back into the workforce. Today, she has an exciting new job and her own health insurance.

While the Healing Bridge Clinic team will miss seeing Maria, they couldn't be prouder of her success. As she transitions to her new insurance, Maria leaves behind a message of deep gratitude for the donors, volunteers, and staff who made her recovery possible.

"They were more than healthcare professionals; they were incredible therapists and a source of strength and hope for me," Maria says. "I give endless thanks to God for placing them in my path and for all the help they gave me when I had no job and no income to move forward. My heart is overflowing with gratitude for everything they have done for me."

Clinic Outlook & Strategy

Our vision for the coming year is both ambitious and necessary. We will continue **expanding access** to primary and specialty care, **strengthen partnerships** with hospitals and healthcare providers, **invest in technology** and patient communication, **recruit additional** volunteer medical professionals, and **reach even more** uninsured neighbors.

Every step we take is guided by
OUR MISSION, VISION, AND VALUES.
