

2024 Sparkler Request Form

To our Barn Couples:

We want your sendoff to be everything you've dreamed of!

If you would like the use of sparklers to be approved as a part of your grand exit, we will require the following documents to be returned to us prior to wedding day:

1. Approval granted by the Evergreen Fire Department.

Please contact EFD no more than one week before your wedding to obtain their confirmation that the county does NOT have a fire restriction in place at that time. They can be reached for approval at:

fireprevention@evergreenfirerescue.com or [303-679-4746](tel:303-679-4746)

2. This form, signed by a designated "Sparkler Handler" to be responsible for all Sparkler Requirements as listed below:

- The designated Sparkler Handler will be responsible for the lighting of sparklers and proper, safe collection of used sparklers.
- Please ensure all guests with sparklers are away from The Barn, and out from under the awning. No sparklers may be used indoors or underneath wood structures.
- You must provide a metal 5 gallon bucket filled with water for guests to extinguish sparklers when they are finished. The designated Sparkler Handler is responsible for ensuring all used sparklers are safely in the bucket
 - Sparklers must remain in the bucket for a minimum of 30 min to be in accordance with the fire department's regulations. If you wish to take the bucket home with you, you must take the bucket *with* the sparklers. Otherwise, the full bucket is to be left in the trash disposal area behind The Barn. Sparklers may not be disposed of outside of the provided bucket.
- Please do not give sparklers to adults who have had too much alcohol and may pose a safety concerns.
- Sparklers must be between 10" and 20" in length, and must be steel or wire based. Wooden sparklers, or sparklers outside of that length will not be allowed for use.

Following the submittal of this form with the approval from EFD, sparklers may be added to your exit. Please contact a Barn team member if you have any questions. We look forward to hosting your event!
