

REHEARSAL WITH BARN ACCESS FOR A FEE

What is the cost for this rehearsal?

- We charge \$150 for a 90-minute time block with Barn access and a Barn Staff Coordinator on site.

When do I book my rehearsal date & time?

- You will have the ability to schedule your 90-minute rehearsal when we meet for your final walk-through or via the website 30 days prior to your wedding.

What time of day can I book my rehearsal for?

- We will check the calendar at your 30-day final walk through and you can book whatever 90-minute time frame we have available, with the latest time being 4:30pm. Most couples schedule a morning rehearsal followed by brunch or lunch so they can have the rest of the day and evening to take care of loose ends and/or rest. Please note that if we have an event the day prior to your event, your rehearsal will need to be scheduled no later than 9:30am.

How do I access the venue?

- A Barn Staff Coordinator will be on site to welcome you in and answer any questions you might have. This access will allow for practice of an indoor ceremony, grand entrances, showing wedding party/family the dressing suites and venue space, and access to indoor restrooms.

Can I bring food and drink to my rehearsal?

- No food and no alcoholic beverages are permitted at your rehearsal.

Who runs the rehearsal?

- While the Barn Staff Coordinator will be onsite, they are not day of coordinators and do not run your rehearsal for you. We recommend having your day of coordinator and/or officiant there to walk through the details of your ceremony with you and your wedding party.

Can I test the in-house sound system, mic, and/or slide show at the rehearsal?

- Yes! If you are using our sound system for music and/or the video screens, we highly recommend testing it out at your rehearsal. Reminder that your device connects to our

video system via HDMI so please make sure your device has an HDMI port of the adapter needed.
