

## **OPPORTUNITY ANNOUNCEMENT:**

Larimer County is gearing up to launch a **Lived Experience Advisory Council**. We are looking for people who are currently experiencing homelessness or have been recently housed within the past three years and willing to share their experience and knowledge. This council will provide opportunities for professional development and influencing program and policy decisions across Larimer and Weld counties. Council members will be paid for their time.

The council will meet once a month for one hour for at least six months. Members will be paid \$25 per hour. By proceeding with this application, you are acknowledging that you plan to attend most, if not all meetings, to make sure the work of the council is not impacted by lack of regular attendance.

We will be selecting five applicants to be members of the council. Efforts will be made to capture a diverse group of members and experiences including, but not limited to past or current engagement with various types of housing and services; race, ethnicity, and cultural background; domestic violence and people with disabilities.

This application does not guarantee a spot on the council; however, there will still be other opportunities to provide feedback if you are not selected for the initial six-month launch of this council.

Please proceed to the next page for the application.
