### 2024 Northern Colorado State of Homelessness Report

Having only officially formed as a CoC in January of 2020, this is the first time the NoCO CoC has released a comprehensive State of Homelessness Report. The intention of the report is to provide CoC partners and the community at large with a depth of information related to the state of homelessness in Northern Colorado, data analysis and system performance information, current efforts to address homelessness, gaps, and challenges and future directions.

## HUD Announces CoCBUILDS Special NOFO

[The Continuum of Care \(CoC\) Builds \(CoCBUILDS\) NOFO](#) targets efforts within CoC geographic areas to address and reduce persons experiencing homelessness by adding new units of permanent supportive housing (PSH) through new construction, acquisition, or rehabilitation through one-time CoCBUILDS awards under the CoC Program. Through the CoCBUILDS NOFO, HUD is encouraging CoCs to leverage funds provided for construction, acquisition, or rehabilitation of new PSH units with other funding sources to maximize the amount of housing that can be directed to meeting the needs of individuals and families experiencing homelessness. PSH is permanent housing in which supportive services are provided to assist individuals with a disability and families where at least one household member has a disability and is experiencing homelessness to live independently.

CoCBUILDS Consolidated Applications are due to HUD November 21, 2024.

Any organization or agency interested in applying under the CoCBUILDS Special NOFO should contact the NoCO CoC NOFO coordinator [via email](#), by **Friday September 9th**.

## Homeless Contribution Tax Credit: Information Session

A flyer for an information session. The title is "INFORMATION SESSION" in large blue letters. Below it, in smaller blue text, is "The Colorado Homeless Contribution Income Tax Credit". A red banner says "Save The Date". Below that, a calendar icon is next to the text "Thursday, September 12, 2024 10 - 11 am". At the bottom left are the logos for the state of Colorado and the Department of Local Affairs (DOLA). The text "COLORADO Department of Local Affairs" is at the bottom. On the right side, there is a circular inset photo of a group of people sitting in a room, with a man in the foreground smiling.

Your Program May Qualify for the Colorado Homeless Contribution Income Tax Credit

The Colorado Homeless Contribution Income Tax Credit (HCTC) provides a tax credit to Colorado taxpayers that contribute to eligible homelessness-related projects within Colorado. When taxpayers make a certified contribution, they can claim 25% (for non-rural projects) or 30% (for rural projects) of their donation of \$100 or more, potentially motivating donors to contribute more to your organization!

Nonprofit organizations submit an application to the Division of Housing to determine eligibility. Qualifying organizations must have services within the state of Colorado with the primary focus on assisting those experiencing homelessness or, in the case of prevention, those facing imminent risk of homelessness.

Join a [virtual information session](#) on **Thursday, September 12th, 10-11am**, or **Tuesday, October 1st, 3-4pm**.

The information session will include details on the following:

- The HCTC Program's benefits and requirements for nonprofit participants
- Eligibility parameters
- Directions on submitting the online eligibility form

Visit the [Division of Housing website](#) to learn more details regarding the HCTC information sessions.
