Deadline Extension to 9/25: CoCBUILDS Special NOFO

The Continuum of Care (CoC) Builds (CoCBUILDS) NOFO targets efforts within CoC geographic areas to address and reduce persons experiencing homelessness by adding new units of permanent supportive housing (PSH) through new construction, acquisition, or rehabilitation through one-time CoCBUILDS awards under the CoC Program. Through the CoCBUILDS NOFO, HUD is encouraging CoCs to leverage funds provided for construction, acquisition, or rehabilitation of new PSH units with other funding sources to maximize the amount of housing that can be directed to meeting the needs of individuals and

families experiencing homelessness. PSH is permanent housing in which supportive services are provided to assist individuals with a disability and families where at least one household member has a disability and is experiencing homelessness to live independently.

CoCBuilds Consolidated Applications are due to HUD November 21, 2024.

Any organization or agency interested in applying under the CoCBuilds Special NOFO should contact the NoCO CoC NOFO coordinator [via email](#), by **Wednesday, September 25th**.

DOLA

Your Program May Qualify for the Colorado Homeless Contribution Income Tax Credit

The Colorado Homeless Contribution Income Tax Credit (HCTC) provides a tax credit to Colorado taxpayers that contribute to eligible homelessness-related projects within Colorado. When taxpayers make a certified contribution, they can claim 25% (for non-rural projects) or 30% (for rural projects) of their donation of \$100 or more, potentially motivating donors to contribute more to your organization!

Nonprofit organizations submit an application to the Division of Housing to determine eligibility. Qualifying organizations must have services within the state of Colorado with the primary focus on assisting those experiencing homelessness or, in the case of prevention, those facing imminent risk of homelessness.

Join a [virtual information session](#) on **Tuesday, October 1st, 3-4pm**.

The information session will include details on the following:

- The HCTC Program's benefits and requirements for nonprofit participants
- Eligibility parameters
- Directions on submitting the online eligibility form

Coordinated Assessment Housing Placement System (CAHPS)

CAHPS is the community-driven process to identify, assess, refer, and house all people experiencing homelessness in Weld and Larimer Counties.

Since 2016, the CAHPS process has helped house 2,037 households.
