2025 Point in Time Count

Night of January 28 & January 29 Canvassing

The 2025 NoCO CoC Point-in-Time Count (PIT Count) and Housing Inventory Count (HIC) will be occurring during the last week of January, with the night of the count being Tuesday, January 28, and then the primary canvassing day on Wednesday, January 29. As with the last few years, we will be making a sheltered and unsheltered count. This year we are also seeking to do a more substantial count of youth who are without housing.

The PIT Count and HIC are HUD-required annual CoC activities, provide the CoC an increased sense of the amount and extent of homelessness in the region, and can influence the level of future funding received from HUD. Please contact Lyle SmithGraybeal (Lyle@unitedway-weld.org) if you'd like to help canvas in your town or somewhere else in Larimer County or Weld County.

Resource Digest: Public Health and Disease Prevention

The cold weather brings increased risk for people experiencing homelessness, including higher risk for exposure to infectious disease, especially respiratory infections like influenza and COVID-19.

NoCO CoC partners are encouraged to review the [Infection Disease Toolkit for Continuums of Care: Preventing & Managing the Spread of Infectious Disease for People Experiencing Homelessness](#) for helpful information to prevent and response to illness.

Housing Placement System (CAHPS)

CAHPS is the community-driven process to identify, assess, refer, and house all people experiencing homelessness in Weld and Larimer Counties.

Year to date, the CAHPS process has helped house 13 people from 8 households.

Through CAHPS, the NoCO CoC is participating in the [Community Solutions Built for Zero Initiative](#) to reach Functional Zero to end Veteran and Chronic homelessness.

Make an Impact

Ending homelessness takes the whole community. Donating to the Northern Colorado Continuum of Care supports the system level coordination of services and resources, regional quality data, and strategic alignment across the northern Colorado region.

And your gift helps make it possible.
