## Veteran Functional Zero: Shifts Are Happening!

Due to the collective efforts of our CoC CAHPS partners, there have been significant strides in our commitment to ending veteran homelessness and we have the data to prove it!

Our total number of actively homeless veterans is at a record low: 41 (as of 10/31/2024 compared to 68 on 4/30/2024)

24 unique households have been housed since September!

### How can you help keep the momentum?

**Donations** - flexible financial assistance is essential for quickly moving veterans into housing and keeping them stably housed. If you are interested in donating, [click here](#).

**Landlord Connections** - We need affordable housing opportunities to support our unhoused veteran single adults and families. If you are interested in supporting this effort, please reach out to [contact@nocococ.org](mailto:contact@nocococ.org).

### Coordinated Assessment Housing Placement System (CAHPS)

CAHPS is the community-driven process to identify, assess, refer, and house all people experiencing homelessness in Weld and Larimer Counties.

**Since 2016, the CAHPS process has helped house over 2,000 households.**

Through CAHPS, the NoCO CoC is participating in the [Community Solutions Built for Zero Initiative](#) to reach Functional Zero to end Veteran and Chronic homelessness.

# Make an Impact

Ending homelessness takes the whole community. Donating to the Northern Colorado Continuum of Care supports the system level coordination of services and resources, regional quality data, and strategic alignment across the northern Colorado region.
