COMMERCIAL

# LEER COMMERCIAL WE GO TO WORK WITH YOU.

Customize with racks, toolboxes  
lighting and accessories for your  
specific job requirements.

## 100SCC

This LEER cab-high commercial cap is reinforced for commercial roof racks. Shown with standard solid rear door with color matched fiberglass insert and optional flush painted side access door with stainless steel drop T-Handle and codeable lock.

Easily access your gear with an optional BEDSLIDE®.

Weep holes enhance drainage on flush side doors.

**100SCC**

Shown with the standard solid rear door with color match fiberglass insert and codeable locks.

Option the 100SCC with these side painted access doors for easy reach and a flush, streamlined appearance.

**100SCC**

BEDSLIDE® adds convenience and enhances ergonomics to easily access the gear required on any job site.

## ERGORACK®

The optional ErgoRack® by Prime Design minimizes the physical stress involved in loading and unloading heavy, bulky ladders.

ErgoRack® Single Rotation Rack System

Operates Safely From the Rear of the Vehicle

Easy Ergonomic Operation

## EASY DOES IT

- ErgoRack® reduces lower back and shoulder stress by eliminating the need to step on a bumper or tailgate to access a ladder.
- This design is lighter than steel ladder rack solutions for improved gas mileage.
- The lockable security feature reduces theft at the job site and on the road.
