a. Client Services. Marketing 360® will provide the Services outlined in your Service Agreement governed by these Terms of Service. Your Marketing Executive will help develop a marketing plan for your business based on your service agreement, budget, goals and other relevant factors. You may add additional one-time or recurring products and services at any time during the life of this Agreement. You may add services by either verbally communicating the request to your Marketing Executive/Marketing 360® representative or communicating your request via email. Unless the Parties agree otherwise in writing, any and all products and services added during the Term shall be governed by this Agreement. For the purpose of this Agreement, a Client who is current on its monthly Marketing 360® Base Platform payment, as outlined in its Service Agreement, is considered a “Marketing Client,” any Client who has not contracted for the Marketing 360® platform or who is not current on its monthly Marketing 360® Base Platform payment will be considered a “Non-Marketing Client.”

b. Marketing 360® Base Platform. The Marketing 360® Base Platform Fee (the “Marketing 360® Base Platform Fee”) grants Client access to the Marketing 360® software platform as well as access to utilize the Marketing 360® Services. Your Service Agreement will outline your specific monthly Marketing 360® Base Platform fee. The Marketing 360® services included with your base fee are a dedicated Marketing Executive, either a User Experience Intelligence® (UXi®) website design or 5 creative hours, Email Marketing 360™, On-Demand Marketing & Design Services™, the Conversion Inbox, the Marketing 360® CRM, a Top Rated Local® Premium Account, UXi® Website Hosting for up to one website, the Local Listing Ads™ Program for up to one local business location, as well as Analytics and Reporting through the Marketing 360® Software Platform. Each of these products/services are available for all Marketing 360® accounts that are current on their monthly Marketing 360® Base Platform Fee, however some products/services may not be utilized for your account depending on your specific marketing goals. Please note, some services may require additional funds or credits to run or be utilized. You may only use your credits on file if you are current on you monthly Marketing 360® Base Platform Fee. Some services that by their nature require a live website in order to be utilized will not be utilized until your website goes live. Please note, some 3rd Party products and services may not be available for all clients based on the terms and conditions of the applicable 3rd Party provider. Your Marketing Executive will work with you to develop a Marketing 360® plan designed to address your marketing goals based on your specific needs considering your location, budget, and other factors. If we are developing a website for you, your Marketing 360® platform login may not be provided until your site is completed and goes live with your approval.

c. Ad Credits. Ad Credits are used to run the Top Placement Ads®, Retargeting Ads® and Social Targeting Ads™ programs. Ad Credits cost one dollar (\$1.00) per credit. Ad Credits are allocated to media buy (paid placement), campaign management, and campaign optimization. A more detailed explanation of Ad Credits, how they are allocated, and the current media buy allocation percentage can be found at www.marketing360.com/how-ad-credits-work. Please note, the media buy allocation percentage is subject to change. Ad Credit costs, including cost-per-click reporting and more, are reflected through the Top Placement Ads®, Retargeting Ads®, and Social Targeting Ads™ programs within the Marketing 360® platform for return on investment (ROI) and cost-per-conversion tracking/analysis. Ad Credits are subject to the terms and conditions of the applicable 3rd Party provider (e.g. Google, Bing, YouTube, Facebook), and some services may not be available for some client

products or services. You may access a performance report which includes raw data on costs, clicks, and impressions at the Google advertising account level at any time by clicking the applicable link on your Marketing 360® dashboard. These links are available in the top right-hand corner of the Top Placement Ads®, Retargeting Ads® or Social Targeting Ads™ pages on your Marketing 360® dashboard. Ad Credits are non-refundable, but may be allocated to other services with a written request. If you cancel your recurring Ad Credit product, your credits on file will remain in your account for one billing cycle. After cancelling your recurring NLA® product, your unused credits must be used or transferred to another product during your next monthly billing cycle or may be forfeited. If we are developing a website for you, your Ad Credits and related services, cannot be used until your site has gone live with your approval. Actual ad position on 3rd Party websites is based on several factors, and top position cannot be guaranteed. Unless instructed otherwise, your Marketing Executive will optimize your Top Placement Ads® campaign to target the top three ad positions for your keywords where possible. In any billing cycle, Marketing 360® may spend any credits you have on file. Marketing 360® will monitor your Ad Credit spend to keep you on budget, but in rare cases Marketing 360® may spend over and above the amount of credits you have on file. Any balance of your Ad Credit budget remaining at the end of a monthly billing cycle, positive or negative, will be rolled over to the next monthly billing cycle. Any negative balance remaining at the end of the Term is due at that time. We use a master advertising account with each 3rd Party Ad Credit services provider (Google, Bing, Yahoo, Facebook, etc.). We will set up an advertising account for you within our master advertising account. You acknowledge that you must use our master advertising account in order to use Ad Credits for these services. Because all of our accounts are linked within our master advertising accounts, you will not have access to view your account at the advertising account level of the respective service provider. You can get a report of your advertising performance and Ad Credit usage by logging into the Marketing 360® platform at any time or by contacting your Marketing Executive.

d. Natural Listing Ads® and NLA® Credits. NLA® Credits are used to power the Natural Listing Ads® SEO program. Use the Natural Listing Ads® program to increase your visibility in organic search results on search engines like Google & Bing and generate more sales from organic search. NLA® Credits cost one dollar (\$1.00) per credit. NLA® Credits can be used to execute such things as SEO keyword research, website optimization, title tag and meta description optimization, link quality auditing, disavowing bad links, internal linking optimization, blog architecture optimization, image tag optimization, social media network optimization, Google+ and Google maps listing optimization, page schema markup, page content creation and optimization, blog post writing and optimization, SEO optimized infographic design, guest blog posting for link building, and more. All NLA® credit usage is determined by Marketing 360® based on what we estimate will have the greatest impact on organic growth. Depending on your marketing goals NLA® Credits and the Natural Listing Ads® services may begin as soon as you are entered into our system, however, in some cases, it might not make sense to use NLA® Credits until the Client's website has gone live with Client approval. Your Marketing Executive and NLA® team members will determine the best allocation of your resources depending on your goals. NLA® Credits are non-refundable, but may be allocated to other services, with the exception of Ad Credits, with a written request. If you cancel your recurring NLA® Credit product, your NLA® credits on file will remain in your account for one billing cycle. After cancelling your recurring NLA® product, your unused credits must be used or transferred to another product during your next monthly billing cycle or may be forfeited. If we are developing a website for you, your Ad Credits and related services, cannot be used until your site has gone live with your approval. Unless otherwise specified, content will be automatically posted to Client's website periodically. Client is solely responsible for the review and approval of all website content and must notify Marketing 360® of any errors. Upon receiving notice of an error, Marketing 360®'s sole responsibility shall be to remove

the erroneous content as soon as is practicable. All content will be considered approved unless Client provides notice to Marketing 360®. Client represents that it will not choose keywords that violate any 3rd Party's trademarks or other intellectual property rights or will obtain licenses to use any 3rd Party trademarks as keywords. You may log into the Marketing 360® platform at any time to track NLA® Credit usage and results. Additional NLA® Credits may be added at any time in order for additional activities to be completed.

e. Local Listing Ads™. The Local Listing Ads™ program is used to add, update, sync, enhance, and monitor your local business listings across dozens of local sites through your Marketing 360® interface. The Local Listing Ads™ program is available for Marketing Clients with physical business locations. Included with the Marketing 360® Base Platform payment is a Local Listing Ads™ account for one location. Additional Local Listing Ads™ locations are available at an additional monthly rate.

f. My Click-to-Calls®. If you choose to utilize the My Click-to-Calls® service, calls will be recorded for tracking purposes so that we may analyze the performance of ads and optimize accordingly. Call recording can be deactivated if needed while leaving call tracking in place by request. Two phone numbers are included with the Marketing 360® Base Platform payment; additional numbers may be purchased for an additional cost per month. After cancellation of your account, you may maintain your My Click-to-Calls® number for a monthly fee.

g. Marketing 360® CRM. The Marketing 360® CRM is a full-featured customer relationship management system within the Marketing 360® platform that is designed for small and medium-sized businesses. The CRM is included with the Marketing 360® Base Platform payment. You may use the Marketing 360® CRM to manage unlimited leads, contacts, and customers in one place. You may add as many team members as you need, create custom fields to store any contact information you need, assign tasks, track deals and sales pipelines, assign contacts to specific team members, and use your CRM on your phone or desktop computer from anywhere with internet access. Once you sign up for the Marketing 360® CRM, a CRM specialist will contact you to walk you through the product and answer any initial questions you may have. Going forward, either your Marketing Executive or a CRM specialist can assist you with any questions via email or via phone during our normal business hours. Access to the Marketing 360® CRM is included through the Marketing 360® platform if you are a Marketing Client and are current on your monthly marketing payment. Your access to the Marketing 360® CRM may be suspended or terminated if you dispute any payment or fail to make a required payment. We are under no obligation to store and maintain your CRM records if your Marketing 360® CRM account has been terminated. If you have signed up for the free 45-day Marketing 360® CRM trial, you will have full complimentary access to the CRM for the 45-day trial period. After the free trial period, you will need to pay a one-time non-refundable access fee of \$100. Once the \$100 fee has been paid, you will have unlimited access to add fields and contacts to your CRM at no additional charge for as long as you would like. Please note that some CRM services including, but not limited to, Email Marketing 360™ and SMS Marketing 360™ are not included with the free version of the CRM and will not be available without paying the Marketing 360® base platform fee. All fees paid for the Marketing 360® CRM are non-refundable. You may log into the system and export a .csv file of your CRM data at any time, as long as your CRM access is not currently suspended or terminated. Please contact your CRM specialist for more information about exporting CRM data. You are fully responsible for the information that you upload to the CRM. The CRM is not intended to store sensitive, protected, proprietary, health or financial data, and you agree not to use the CRM to store this information. You acknowledge that the Marketing 360 CRM is not PCI compliant, and you agree not to store financial data, social security numbers or payment processing data within the CRM. You acknowledge that the Marketing 360® CRM is not HIPAA compliant, and is not designed to be used by any health services

provider. You agree not to store any HIPAA protected PHI within the CRM. For clarification, your Indemnification obligation outlined in Section 13 applies to any unauthorized use of the CRM. To the extent that we process CRM data that is subject to the European Union General Data Protection Regulation (“GDPR”) on your behalf, the terms of the Marketing 360® Data Processing Agreement (the “Marketing 360® DPA”) shall apply, see Section 15.j.

h. Website Design and Content. Website design services include a website design built for conversions and designed to work on some of the most popular website platforms (Websites 360®, UXi®, BigCommerce, Shopify, WooCommerce, etc.). Your site design includes up to three rounds of revisions at no additional cost. Along with the site design, Marketing 360® will populate up to 20 webpages with Client-provided content or products at no additional charge. We anticipate that you will provide the content for the website pages, but we will provide content writing services for up to 10 pages at up to 300 words per page (rather than the population of 20 pages of the Client supplied content), upon request at no additional charge. If you need to add more time in order for us to make additional revisions, content, pages, etc., it can be added at an additional hourly rate. You are welcome to add pages, content, or products at any time for no additional charges via the website’s content management system. Website design is included at no additional charge with a six-month minimum marketing commitment; however, your license to use the website design is contingent upon our receipt of either: (a) full payment of your monthly marketing payments through the Initial Term, or (b) the Early Cancellation Fee as applicable. See section 6.d. for more information on your website design license. Website development is a fluid process dependent on several factors, including, but not limited to, Client response time on questions and approvals, Client response time for delivering website content, and requests for additional rounds of revisions. Accordingly, we cannot guarantee your website will “Go Live” on any set timeline. We will, however, strive to minimize response times on our end and bring your website live as soon as practicable. Unless you have contracted for a Custom Website Design, a site will be developed for you based on our standard website design layouts. If you require specialized functionality and/or complex design features, you will need to contract for a Custom Website Design. Many services, including both Ad Credits and some NLA® services, cannot be used until your website is completed and goes live with your approval. Any Credits paid for prior to website completion will remain in your account until your website goes live. If you have contracted for Custom Website Design services, it will be clearly stated as “Custom Website Design” on your Service Agreement and will include both a scope of work and an estimated work hour quote. Additional information regarding Custom Website design is included in Section 1.n. If you are a marketing Client, but do not need or want a new website design, we will provide you with five Creative Hours in lieu of a website design upon your request.

i. Website Hosting. Website hosting for up to one site is included with the Marketing 360® Platform for Marketing Clients upon request. Hosting for additional websites or for Non-Marketing Clients is available for \$249 per year billed annually on a recurring basis. Website Hosting includes up to 100GB of bandwidth per month. UXi® hosting includes all necessary website data storage. Hosting for non-UXi® sites includes 500MB of data storage; additional storage will require additional fees. Additional bandwidth is available for an additional cost. UXi® websites are a proprietary hosted solution compatible only with UXi® servers and must be hosted on the UXi® platform to operate properly. Upon cancellation of marketing, UXi® website hosting may be purchased for \$249 per year. If your hosting services continue after the cancellation of marketing, such hosting services will continue to be governed by these Marketing 360® Terms of Service. Although unnecessary, if you want to move the UXi® site design off UXi® hosting, the design may be rebuilt on another CMS platform at your expense. BigCommerce, Shopify and other 3rd Party e-commerce site design files are hosted on their respective servers. Upon cancellation of marketing, BigCommerce and Shopify sites will continue to be

hosted on these platforms. If you have issues with your 3rd party website hosting, you must contact those entities directly.

j. UXiCommerce™. The UXiCommerce™ Add-On is a fully functional shopping cart add-on for use on your UXi® website. You can easily add additional products via the UXiCommerce™ interface. Marketing 360® agrees to exercise commercially reasonable efforts to remedy security breaches associated with UXiCommerce™. You acknowledge that, notwithstanding such security precautions, use of, or connection to, the Internet provides the opportunity for unauthorized 3rd parties to circumvent such precautions and illegally gain access to the Services and your UXiCommerce™ Data. Accordingly, we cannot and do not guarantee the privacy, security, integrity or authenticity of any information so transmitted over or stored in any system connected to the Internet or represent that any such security precautions will be adequate or sufficient. You expressly acknowledge that the indemnification provision of Section 14 applies to the use of UXiCommerce™.

EU GDPR Obligations: Your content may not relate to individuals subject to the General Data Protection Regulation (GDPR) 2016/679.

2. Compliance with Laws/Prohibited Content. Client shall not use or permit the Services to be used in violation of any applicable national, state, or local laws or regulations. Without limiting the foregoing, Client may not use any Marketing 360®'s Services for any illegal activity including the storage or transmission of information, data, files, or links to content that violate any applicable local, state, national, or international law. This includes, but is not limited to, pirated software, copyrighted data or links thereto, the propagation of computer worms or viruses, the use of false identities, or attempts to gain unauthorized entry to any network. Pornography and sex-related merchandising are prohibited on all Marketing 360®'s servers. This includes sites that may infer or link to sexual content. Spamming sites and sites selling or promoting bulk email software, services, or addresses are also prohibited. Marketing 360® may terminate this agreement if it determines, in its sole discretion, Client has violated this policy.

3. Client Obligations. In addition to making all required payments, Client shall (a) cooperate with Marketing 360® in all matters relating to the Services and provide access to Client's advertising accounts including Client's Google Adwords and Analytics accounts as necessary; (b) respond promptly to questionnaires and any reasonable request to provide direction, information, approvals, authorizations or decisions that are reasonably necessary for Marketing 360® to perform Services in accordance with the requirements of this Agreement; and (c) provide such customer materials or information as Marketing 360® may reasonably request to carry out the Services in a timely manner and ensure that such customer materials or information are complete and accurate in all material respects. Marketing 360® is not responsible or liable for any delay or failure of performance caused in whole or in part by Client's delay in performing, or failure to perform, any of its obligations under this Agreement.

4. Payment. Once you have executed your Service Agreement, you will be responsible for payment in full of all associated payments. All payments are due in US dollars. Unless otherwise stated, Client will pay all amounts due under this Agreement monthly, in advance. Payment for one-time services will be due in full on the Effective Date, or as otherwise provided by your Service Agreement. For recurring payments, the initial payment will be taken on the Effective Date, and you will be billed for subsequent payments as outlined in your Service Agreement. For monthly recurring Services, unless the Service Agreement states otherwise, you will be billed on the same numerical day of each month as the Effective Date. For example, if the Effective Date is November 17th, you will be billed for recurring monthly payments on December 17th, January 17th, and so on. The last billing date in each month is the 25th. If your Effective Date is after the 25th, the first payment will be taken on the Effective Date, and recurring payments will bill on the 25th of each month. For annual recurring services, you will be billed for the first year on the Effective Date, and you will be billed for subsequent payments on the anniversary of the Effective Date unless cancelled as provided in Section 5 below. If you are a Marketing Client, you acknowledge that you are required to pay the full amount due for the Services each month through the Initial Term and Renewal Terms at no less than the monthly recurring marketing total listed in your Service Agreement. You will be required to agree to all applicable payment authorization forms which authorize recurring billing in accordance with your agreement. Marketing 360® shall have the right to charge your credit card or debit from your account through ACH for fees in accordance with these Terms of Service and the Service Agreement. Client warrants the validity of any ACH information provided to Marketing 360® and acknowledges that Marketing 360® is entitled to debit Client's account for any ACH fees charged to Marketing 360® due to Client's error, including, but not limited to, incorrect information, invalid account numbers and non-sufficient funds. Marketing 360® uses a credit card updating service that automatically updates credit card numbers where a credit card has expired or been replaced. You acknowledge that Marketing 360® has a right to charge any credit card updated in this manner in accordance with these Terms of Service and the Service Agreement. YOU UNDERSTAND AND ACKNOWLEDGE THAT ALL AMOUNTS OWED MUST BE PAID IN ADVANCE AND THAT, IN ADDITION TO BEING IN BREACH OF YOUR CONTRACTUAL OBLIGATIONS, YOUR SERVICES

MAY BE PAUSED OR TERMINATED IF TIMELY PAYMENT IS NOT RECEIVED OR IF A PAST PAYMENT HAS BEEN DISPUTED.

5. Term/Termination.

a. Term. The Agreement shall begin on the Effective Date and will remain in effect until terminated as provided below. For recurring accounts, the Service Agreement sets forth the minimum commitment term (the "Initial Term") and authorizes recurring monthly billing for such period. Unless otherwise stated in the Service Agreement, all monthly recurring Services have a six (6) month Initial Term. Only months in which full payment has been received will count as a month of marketing under the Initial Term. Client acknowledges that Client's digital marketing plan is designed based on a minimum six-month Initial Term. After the Initial Term, the Term will be automatically renewed for successive one-month periods (each, a "Renewal Term") or as otherwise provided in the Service Agreement (the Initial Term and any Renewal Terms are collectively referred to herein as the "Term.")

b. Cancellation. Client may cancel the services by providing no less than 30 days' written notice of cancellation via mail or email addressed to Client's Marketing Executive or Project Manager, as applicable. If you have not completed the Initial Term, cancellation will be effective at the completion of the Initial Term. If you have completed the Initial Term, services will continue through the end of the next applicable Renewal Term and will then be cancelled.

c. Early Cancellation. If you wish to cancel the Services without completing the Initial Term you may do so only by providing both written notification of cancellation and the Early Cancellation Fee. The amount of your Early Cancellation Fee is defined in your Service Agreement. If your Service Agreement does not define the Early Cancellation Fee it shall be equal to the lesser of either (a) your remaining monthly payments under the Initial Term or (b) \$2,310.00. The Early Cancellation Fee payment is in addition to your monthly payments to date and may not be paid with credits on file or any prior payment. The Early Cancellation Fee must be provided within five (5) business days from our receipt of your written notice of early cancellation. No early cancellation of a Service Agreement will take effect until the Early Cancellation Fee has been paid, and you will continue to be billed monthly until we receive both proper written notice of cancellation and the Early Cancellation Fee, as applicable. Upon execution of this agreement, Marketing 360® will be investing considerable work into Client's business and online marketing activities. This investment is being made with the understanding that you are committing to pay for the Services through the Initial Term. Client recognizes the aforementioned investment, up-front sales, setup, and opportunity costs that Marketing 360® bears in connection with this marketing commitment, and acknowledges that this fee is not a penalty, but rather a reasonable amount of liquidated damages to compensate Marketing 360® for early cancellation of the Services.

d. Cancellation Revocation. You may, upon written notice (email is acceptable), revoke such cancellation after you have made a cancellation request, in which case the Service Agreement will be reinstated, and all applicable services will be reinstated upon payment in full of all amounts owed. If the cancellation fee has already been paid it shall be applied to any future amounts owed.

e. Marketing 360®'s Right to Cancel. We may cancel this Agreement at any time for any reason, and in our sole discretion, by providing written notice of cancellation to you. Cancellation will take effect at the end of the then current billing period. Written notice may be provided to you via email. If we terminate this Agreement pursuant to this Section 5.e, we will reimburse you for any unused credits and funds within 30 business days from the effective cancellation date.

f. Pause or Downgrade of Service. During the Initial Term, you may request a pause or a downgrade in your Services, however it will be in Marketing 360®'s sole discretion to determine if a pause or downgrade in Services is appropriate. No pause or downgrade during the Initial Term will be effective without a signed written confirmation from both Marketing 360® and Client. After the Initial Term, you may pause or downgrade your account with a written request. After the Initial Term a downgrade that fully eliminates the recurring portion of certain services (e.g. NLA Credits, Ad Credits, Social Media Management, Reputations Management) shall be deemed a cancellation of such services and will terminate all Marketing 360® obligations related to that service at the end of the then current billing cycle. Further, the Parties agree that any downgrade that eliminates the Marketing 360 Base Platform Fee (e.g. a downgrade to hosting services only) will terminate all Marketing 360® obligations related to those removed services. The Parties agree that the preceding two sentences shall not apply to temporary downgrades accompanied by a signed agreement. Client may upgrade or reinstate services at any time with a written or oral request.

g. No Refunds and Unused Credits. Unless we cancel the agreement pursuant to Section 5.e., no refunds will be provided for any amounts already paid to Marketing 360®. Upon cancellation of this agreement by you for any reason, any and all unused funds, credits or creative hours will be forfeited. If you are a Marketing Customer and downgrade to hosting only services or any other recurring services that do not include the Marketing 360 Base Platform Fee, any and all unused funds credits or creative hours remaining in your account at the time of the downgrade will be forfeited. The preceding sentence does not apply to temporary downgrades with a signed agreement.

h. Collection of Amounts Owed. You agree to pay all costs of collection (including attorneys' fees, costs, and other legal and collection expenses) incurred by Marketing 360® in connection with its enforcement of its right to payment under the Agreement. Any amounts not paid by you when due shall bear interest at the rate of 1.5% per month (or the highest rate permitted by law, if less).

i. Charge Disputes. If you dispute any payment with your credit card company or bank, and such dispute is resolved in Marketing 360®'s favor, you will be assessed a charge of \$100 per dispute initiated. You acknowledge that this amount is not a penalty, but a reasonable amount of liquidated damages to compensate Marketing 360® for the additional costs incurred in defending your payment dispute.

6. Intellectual Property.

a. License to Marketing 360®. During the Term, you hereby grant to Marketing 360® a non-exclusive, royalty-free worldwide license to use, copy, backup, modify, display, broadcast, and transmit any of your content, including but not limited to your website, text, images, logos, trademarks, service marks, promotional materials, photos, audio, and video content relating to your existing website, as applicable, to the extent necessary and for the sole purpose of allowing Marketing 360® to perform the Services. This license will terminate upon termination of the Service Agreement.

b. Ownership of Creative Deliverables and Content. Upon receipt by Marketing 360® of full, unconditional payment from Client, Client shall own all rights, title, and interest in and to the Creative Deliverables (as defined below) created under this Agreement. Creative Deliverables shall be defined as any Custom Website Design, logo design, video production, photography services, Natural Listing Ads services and general design and development time as discussed in Section 1.n. Marketing 360® will retain a non-exclusive, non-revocable license in the completed Creative Deliverables, and Marketing 360® reserves the right to use the Creative Deliverables for advertising, publication, promotion, display or other purposes.

c. Ownership of Website Design. Notwithstanding Section 6.b., Marketing 360® retains all copyrights in all non-custom website designs delivered under this Agreement in accordance with Section 1.i. Upon valid cancellation of this Agreement in accordance with Section 5, and so long as full, unconditional payment has been received by Marketing 360® for any amounts owed by Client under this Agreement, Client will be granted a perpetual, royalty free, revocable, non-transferable license to use, copy, and publish any website design and related materials delivered to Client under this Agreement. Marketing 360® reserves the right to revoke this license only if either (1) Client does not fulfil the Initial Term and/or pay the early cancellation fee or (2) Client initiates a payment dispute for any past payment.

d. Work Product Ownership. Any copyrightable works, ideas, discoveries, inventions, patents, products, marketing data, marketing campaigns or other information (collectively, “Work Product”) developed in whole or in part by Marketing 360® during the course of this Agreement but excluding the Creative Deliverables and any materials referenced as belonging to Client pursuant to Section 6a. above, shall be the exclusive property of Marketing 360®.

e. Trademarks. All trademarks used in this agreement and used in conjunction with the Services are the property of their respective owners or licensors. With the exception of the trademark rights explicitly granted in this Agreement, no other rights to any trademarks are granted herein. Use of the Marketing 360® trademarks without the express written consent of Marketing 360® is prohibited.

7. Authorization and Limited License to Access Marketing 360® Software Platform. Upon execution of a marketing Service Agreement, and for so long as your Service Agreement is in effect and you are current on your Marketing 360® Base Platform Fee, you will be granted a revocable, non-transferable, non-sublicenseable, non-exclusive limited license to access the Marketing 360® Software Platform. You acknowledge and agree that you do not have, nor will you claim any right, title or interest in Marketing 360®, the platform, software, data, applications, methods of doing business, or any other content provided through Marketing 360® whether expressly, by implication, estoppel, or otherwise. All right, title, and interest in and to the Marketing 360® Platform and Services, are and will remain with Marketing 360®. You may only access Marketing 360® via a web browser or mobile application. Your access shall be password protected and you acknowledge that you shall not share your password or otherwise permit any other person to access or use the Marketing 360® Platform or Services except as expressly permitted by this Agreement. For purposes of clarity and without limiting the generality of the foregoing, you shall not, except as this Agreement expressly permits: (a) copy, modify, or create derivative works or improvements of Marketing 360® Platform or Services; (b) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Marketing 360® Platform or Services to any person, including on or in connection with the internet or any time-sharing, service bureau, software as a service, cloud, or other technology or service; (c) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to the source code of the Services or Marketing 360 systems, in whole or in part; (d) bypass or breach any security device or protection used by the Marketing 360® Platform or Services, or access or use the Marketing 360® Platform or Services other than by an Authorized User through the use of his or her own then valid Access Credentials; (e) input, upload, transmit or otherwise provide to or through the Services or Marketing 360®’s systems, any information or materials that are unlawful or injurious, or contain, transmit or activate any harmful code; (f) damage, destroy, disrupt, disable, impair, interfere with, or otherwise impede or harm in any manner the Services, Marketing 360®’s systems or Marketing 360®’s provision of services to any 3rd Party, in whole or in part; (g) remove, delete, alter, or obscure any trademarks, warranties, or disclaimers, or any copyright, trademark, patent, or other intellectual property, or proprietary rights notices from any Services or other Marketing 360® materials, including any copy

thereof; (h) access or use the Marketing 360® Platform or Services in any manner or for any purpose that infringes, misappropriates, or otherwise violates any Intellectual Property Right or other right of Marketing 360® or any 3rd Party or in a way that violates any applicable law; (i) access or use the Marketing 360® Platform or Services for purposes of competitive analysis of the Services, for the development, provision, or use of a competing software service or product, or any other purpose that is to Marketing 360's detriment or commercial disadvantage. In addition to the other remedies Marketing 360® may have, Marketing 360® may terminate the foregoing license and this Agreement if it determines, in its sole discretion, that you have violated the provisions of this license.

8. Representations. By signing, you personally represent that (a) you have the power to enter into this Agreement and be bound to its obligations hereunder on behalf of the Client; (b) the execution of this Agreement by the Client has been authorized by all necessary corporate actions; and (c) upon execution of the Service Agreement, this Agreement constitutes a legal, valid, and binding obligation of Client, enforceable against Client in accordance with its terms. Client further represents that Client has the right to use all intellectual property, including, but not limited to copyrighted materials and trademarks, supplied to Marketing 360® for use in conjunction with the services.

9. Agency. If you are purchasing the Services on behalf of another company, you personally represent and warrant that you have been authorized by such company to act as its agent in all respects related to the agreement. Without limiting the foregoing, you agree on behalf of each such company that such company has been made aware of, and agrees to be bound by, these Terms of Service.

THE SERVICES ARE PROVIDED WITHOUT ANY GUARANTEE OF CONTINUOUS OR UNINTERRUPTED AVAILABILITY. IF THE MARKETING SERVICES ARE INTERRUPTED OR DELAYED, MARKETING 360®'S SOLE OBLIGATION WILL BE TO RESTORE OR PROVIDE SUCH SERVICES AS SOON AS PRACTICAL. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MARKETING 360® DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE. 11. LIMITATIONS OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY LAW, MARKETING 360® SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, LOST PROFITS OR REVENUES, OR DIMINUTION IN VALUE, ARISING OUT OF OR RELATING TO ANY BREACH OF THESE TERMS, WHETHER OR NOT THE POSSIBILITY OF SUCH DAMAGES HAS BEEN DISCLOSED IN ADVANCE BY CLIENT OR COULD HAVE BEEN REASONABLY FORESEEN, REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. Each of the Parties agrees to cooperate in good faith, reasonably, and in such a manner as may be necessary or appropriate to implement and give effect to the terms, conditions, and agreements contained herein. Each Party agrees to contact the other in writing (email is acceptable) regarding any claims, disputes, or controversies, and allow the other Party no less than 30 days to cure the issue or demonstrate that there is in-fact no issue present under these Terms of Service prior to initiating any formal legal action, payment dispute, or publishing any disparaging comments detrimental to the reputation, business, or business relationships of the other.

b. Agreement to Arbitrate. If the Parties are unable to resolve a dispute in Good Faith, the Parties hereby agree to resolve any and all disputes, controversies, or claims arising out of, relating to, or in connection with this Agreement and/or the Services, including the breach, termination, or validity thereof, through confidential binding arbitration in Fort Collins, Colorado by a single arbitrator. Such arbitration shall be administered by the American Arbitration Association (AAA) and conducted pursuant to the Expedited Procedures of the Commercial Arbitration Rules (CARs) of the AAA. The Parties further agree that they may only bring or participate in claims against the other in their respective individual capacities, and not as a plaintiff or class member in any purported class or representative proceeding. The Parties further agree that the arbitral tribunal may not consolidate more than one person's claims and may not otherwise preside over any form of a representative or class proceeding.

c. Exceptions to Agreement to Arbitrate. Marketing 360® may bring a lawsuit solely for injunctive relief to stop unauthorized use or abuse of the Services or for intellectual property infringement (for example, trademark, trade secret, copyright, or patent rights) without first engaging in arbitration or the Good Faith dispute-resolution process described above. In the event that the Parties agreement to arbitrate is found not to apply for any reason, all actions relating to or in connection with this Agreement shall be brought in the state and federal courts located in Larimer County, Colorado and Denver County, Colorado, respectively. The Parties consent to venue and personal jurisdiction in these courts for the limited exceptions under this Section 12.c.

OTHER RIGHTS THAT CLIENT

WOULD HAVE IF IT WENT TO COURT, SUCH AS DISCOVERY OR THE RIGHT TO APPEAL, MAY BE MORE LIMITED OR MAY NOT EXIST.

13. Indemnification. You agree to indemnify, defend, and hold us harmless from any and all liability, claims, damages, and settlements due to any 3rd Party claims or causes of action, (including, without limitation, reasonable attorneys' fees and court costs) arising out of or relating to Client's (a) illegal or unauthorized use of the Services, or (b) noncompliance or breach of any of these Terms of Service by Client or any 3rd Party (authorized, permitted or enabled by Client). This indemnification includes, but is not limited to, any actions, including intellectual property actions (including trademark and copyright actions), actions related to end user personal or financial data, PCI compliance, Client's order processing, billing, fulfillment, shipment, collection, or actions related or associated with any products or services offered, sold, or licensed through Client's website. f. Assignment. Neither Party may assign any part of the Agreement without the prior written consent of the other Party, provided, however, that either Party may freely assign this Agreement in connection with a sale of substantially all of its assets or a change of control of at least 50% of the voting equity interests of the business effective upon written notice to the other Party.
