AUTHORIZATIONS AND CERTIFICATIONS

I HEREBY AUTHORIZE THE FOLLOWING:

- Tri-Area Community Health through its appropriate personnel and/or its medical staff to perform, administer, prescribe, or to have performed, administered, or prescribed upon, to, or for me or any members of my family (including minor children) whose names appear below, such examination, tests, immunizations, injections, and diagnostic procedures as are deemed necessary. I also certify that all information contained herein is true and correct to the best of my knowledge and belief, and that no facts have been omitted.
- Insurance Authorization and Assignment to furnish information to insurance carriers concerning my illness and treatments, and I hereby assign to the physician(s) all payments for medical services rendered to myself and my dependents. I understand that I am responsible for any amount not covered by insurance.
- Medicare Lifetime Authorization for physical services and request that payment of authorized Medicare benefits to make either to me or on my behalf to Tri-Area Community Health, Inc., d.b.a. Tri-Area Community Health, for any services furnished to me by their physicians. I authorize my holder of medical information about me to release to the health care financing administration and its agents any information needed to determine these benefits or the benefits payable for related services.

• Deemed Consent for Designated Blood borne Pathogens:

Virginia law requires health care providers to notify you that Hepatitis B and C or HIV (AIDS virus) testing on a sample of your blood may be done if a health care worker is exposed to your blood or body fluids. This following notice is to advise you that this is in effect at this facility.

Under the Virginia Acts of Assembly Section 32.1-45.1, whenever any health care worker associated with or working for Tri-Area Community Health is directly exposed to body fluids of a patient in a manner which may transmit HIV (AIDS virus) or Hepatitis B and C according to the guidelines of the Centers for Disease Control, Tri-Area Community Health will proceed to test the patient's blood for HIV and Hepatitis B and C. Tri-Area Community Health will provide the results of the test to the patient through his or her primary care provider, and to the health care worker who was exposed. Tri-Area Community Health's policy also protects you as a patient, should you be exposed to the body fluids of a health care worker.

Rights of Minors: Parents generally have the right to access their minor child's health records.

- However, Virginia laws gives minors additional privacy rights for records related to behavioral and reproductive health care services, including services related to mental health, birth control, pregnancy, and family planning. Your minor child may have rights to seek care and restrict access to their medical records for these types of services .

- Patrick County Family Practice Patients (only) in effort to coordinate patient care of patients seen in Stuart at Patrick County Family Practice records will be shared between Patrick County Family Practice and Tri-Area Community Health.
