

# NeverStrip | 21st Century Floor Care Technology™

## Microbot Products

Cleaning the Way  
Nature Intended.

### WHAT ARE NEVERSTRIP MICROBOT PRODUCTS?

NeverStrip Microbot Products harness the power of naturally occurring Bacillus microorganisms to break down fats, oils, grease, urine, proteins, and other organic soils, converting them into water and CO<sub>2</sub>. The result is cleaner, safer facilities with less labor, fewer odors, improved traction, and a better overall cleaning experience.

### THREE PRODUCTS. THREE SOLUTIONS. ONE TECHNOLOGY.

<p><b>Microbot Grease Eliminator</b></p> <ul style="list-style-type: none"> <li>● Converts hydrocarbons to water/CO<sub>2</sub></li> <li>● Replaces degreasers</li> <li>● Easy to use</li> <li>● Fast acting</li> <li>● Labor efficient</li> <li>● Safe</li> <li>● Odor reduction</li> <li>● Cleans drains and grease traps</li> <li>● Attractive traction</li> <li>● Neutral pH</li> <li>● Pleasant fragrance</li> <li>● Dilute 1:11 with warm water</li> <li>● 300 sq. feet per diluted gallon</li> </ul>	<p><b>Microbot Floor Finish Eliminator</b></p> <ul style="list-style-type: none"> <li>● Converts floor finish/wax to water/CO<sub>2</sub></li> <li>● Replaces strippers</li> <li>● Fast acting</li> <li>● Easy to use</li> <li>● Labor efficient</li> <li>● Odor reduction</li> <li>● No stripper sludge to dry</li> <li>● Attractive traction</li> <li>● Pleasant fragrance</li> <li>● Neutral pH</li> <li>● Dilute 1:11 with warm water</li> <li>● 300 sq. feet per diluted gallon</li> </ul>	<p><b>Microbot Clean</b></p> <ul style="list-style-type: none"> <li>● Converts urine/soap to water/CO<sub>2</sub></li> <li>● Digests food sources for larvae</li> <li>● Breaks down slippery organics</li> <li>● Odor reduction</li> <li>● Pleasant fragrance</li> <li>● Neutral pH</li> <li>● Dilute 1:20 with warm water</li> <li>● 300 sq. feet per diluted gallon</li> </ul>
