Janitorial Management, Inc. wowed attendees at an Industry Certification Program.

Janitorial Management, Inc. (“JMI”) recently restored a terrazzo floor with the NeverStrip Micron Polishing System for Terrazzo™. This floor was brought to life while JMI staff were attending an industry certification program.

Janitorial Management is a NeverStrip Authorized Dealer for the Delaware Valley and surrounding areas. The NeverStrip Hard Surface Polishing Systems for Natural Stone, Terrazzo and Concrete are transforming the floor care industry.

Certified JMI staff use the latest technological advancements for resilient and hard surface floor care. Customers realize lower costs, better appearance and an easier to maintain floors.

For more than two decades, Janitorial Management, Inc. has been a leading provider of cleaning services throughout the Delaware Valley. Contact Carl Fisher at 855-564-2532 and carl@jmicleans.com.
