That looks great.”**

21st Century Floor Care Technology™

GP Flooring Solutions faced an uphill battle when they restored a War Memorial floor.

A Western New York County War Memorial asked GP Flooring Solutions to restore a 55-year old terrazzo floor, while also eliminating the never-ending cycle of waxing and stripping.

GP Flooring removed the heavy, yellowed wax build-up and applied the NeverStrip Micron Polish of Terrazzo System™

The War Memorial now has an impressive, better than new looking, terrazzo floor with an amazing, natural shine. The facility no longer needs to wax its floors. The beauty of the terrazzo marble chips is now on full display, producing the “wow” appearance desired by the County. At the same time, facility staff feel the floor has better traction, a crucial requirement given Western New York winters.

GP Flooring Solutions is a full-service commercial flooring contractor, certified WBE (Women Business Enterprise), and authorized dealer on the NY State Floor-Covering contract. GP offers flooring consultation, sales, installation, and maintenance, along with a commitment to exceptional customer service and highest-quality workmanship. Our customers recognize that commitment, giving us satisfaction ratings averaging 9.4 on a 10-point scale.
