NeverStrip Deep Clean

NeverStrip Deep Clean

NeverStrip Deep Clean removes years of dirt and stains from neglected tile & grout and other hard surfaces. This concentrated, high alkaline cleaner is specially formulated to cut through surface residue, grease, oil and dirt. Product is NOT designed to remove wax finishes and/or other sealers.

Characteristics

Use on all types of ceramic tile, grout joints and other masonry surfaces.

Test in an inconspicuous area to determine ease of application and desired results.

Warning: This product is not for use on natural flagstone, marble or limestone.

Warning: This product is not for use on natural flagstone, marble or limestone.

VOC 145 g/l.

Mixing and Application

- 1 Sweep or vacuum surface to remove loose debris.
- 2 Mix NeverStrip Deep Clean 16 oz per gallon of water.
- 3 Wet mop solution onto surface and allow to dwell for 15 minutes.
- 4 DO NOT allow product to dry during that time
- 5 Scrub with deck brush or machine with brush attachment
- 6 Remove slurry using a wet vacuum
- 7 Rinse thoroughly to remove any residue
- 8 Allow surface to dry

Coverage

1200 square feet when mixed at 16 oz. per gallon of water (1 part chemical: 8 parts water mix ratio).

NeverStrip Deep Clean

Caution

Do Not Mix with Acid Based Products

Rubber gloves and eye protection should be worn during application.

Avoid contact with eyes and skin.
Immediately flush eyes with water for 20 minutes.

If skin contact occurs wash with water, then with vinegar.

Promptly remove clothing soaked in solution.

Do not take internally.

Do not induce vomiting.

Seek medical attention if irritation develops.

Additional precautions, safety information and first aid treatments are contained in the Material Safety Data Sheet.

For maximum restorative cleaning of tile & grout surfaces, use NeverStrip Grout Prep after cleaning with NeverStrip Deep Clean.

Handling and Storage

Avoid freezing or long-term high temperature storage.

For Industrial Use Only

Not for sale or resale to general public.

For professional use only and must be used by a NeverStrip Certified Contractor or NeverStrip Authorized Dealer.
