**“The customer was very surprised with the outcome compared with the low cost.”**

# RD Weis transformed this grocery store floor from dull to dazzling.

**A grocery store** in Binghamton NY had a new concrete floor that needed to be cleaned and sealed. It was covered with paint and drywall mud and had a dull appearance.

**RD Weis Companies** was contacted to help. They cleaned the floors with NeverStrip’s Deep Clean and 180 grit Strato-Grit block on a 175rpm swing machine. They followed up with two coats of NeverStrip Stone, Terrazzo and Concrete Seal with no burnishing.

**The grocery store** was very happy with the results. The floors were clean, but also had a great shine. The transformation of the floor was a pleasant surprise for them.
