

**MicroBot**

FROM NEVERSTRIP®

# NeverStrip Microbot Clean

# Microbot Clean

## 1. Product and Company Identification

Product Name: NeverStrip MicroBot Clean

Product Use: Biological cleaning and odor control for commercial and industrial applications

Company Name and Address:

NeverStrip Floor Coatings

2816 Centre Circle

Downers Grove, IL 60515 USA

## 2. Hazards Identification

GHS Required Hazard Warning Symbols:

NONE (Not a hazardous substance or mixture)

Classification according to Regulation (EC) No 1272/2008 (CLP):

This substance does not meet the criteria for classification in accordance with Regulation No. 1272/2008/EC.

**Note:** Product is considered to be a non-hazardous substance or mixture. This SDS is provided as a courtesy to help assist in the safe handling and proper use of the product under OSHA Hazard Communication Standard (29 CFR 1910.1200).

Signs and Symptoms of Exposure

### Skin:

Excessive, prolonged, or repeated direct exposure without gloves may cause slight irritation or dryness of skin over time. Some people may be overly sensitive with temporary redness and possible contact dermatitis.

### Eyes:

Avoid excessive eye contact. May cause slight to moderate irritation in some overly sensitive individuals.

### Inhalation:

Excessive mist inhalation may cause irritation in overly sensitive individuals.

### Ingestion:

Not for human or animal consumption. Do not eat or drink this material. Product may cause nausea if consumed.

## 3. Composition / Information on Ingredients

Hazardous Ingredients

Weight Percent

CAS Number

Water

≤97–99%\*

7732-18-5

Bacillus culture

≤1–3%\*

Proprietary Blend

\*The concentrations listed represent actual ranges that result from batch variability.

# Microbot Clean

## 4. First Aid Measures

### Skin Contact:

Rinse affected area with fresh water. It is a good idea to wash heavily contaminated clothing before reuse. After flushing skin, use skin lotion to restore moisture to the skin and relieve possible dryness or redness.

### Eye Contact:

Flush eyes with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do. Continue rinsing as needed. If eye irritation persists, seek medical attention.

### Inhalation:

Remove affected person to fresh air. If prolonged shortness of breath or dizziness persists, consult a doctor if feeling unwell.

### Ingestion:

Drink a quart of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Consult doctor if feeling unwell.

**Note to Physician:** Treatment of overexposure should be directed at the control of symptoms and the patient's clinical condition. Product contains non-hazardous Bacillus spore (non-pathogenic microorganisms) liquid.

## 5. Fire Fighting Measures

### NFPA Hazard Rating:

Health: 1

Flammability: 0

Reactivity: 0

**Flashpoint:** None Established

### Flammable Limits:

LEL: None Established

UEL: None Established

**Auto-Ignition Temperature:** Not applicable

### Specific Hazards Arising from the Chemical:

Potassium oxides, carbon oxides.

### Extinguishing Media:

For fires use appropriate media such as water spray, dry chemical, or carbon dioxide foam for extinguishing non-hazardous powder.

### Required Special Protective Equipment for Firefighters:

In case of fire, evacuate area of all unprotected personnel. Wear proper safety equipment, including self-contained breathing apparatus for smoke protection. Use water spray to cool heat exposed containers.

## 6. Accidental Release Measures

Product is non-hazardous and biodegradable. Soak up with inert absorbent material (e.g. sand, silica gel). Sweep up and shovel. Keep in suitable, closed containers for disposal. Dispose of according to federal, state and local regulations.

# Microbot Clean

## 7. Handling and Storage

To preserve the product, keep containers closed and in cool dry places. Make sure containers are labeled properly. Read and understand the SDS before using any product.

Packaging is recyclable. Check local regulations for materials accepted.

### Other Precautions:

For industrial and commercial use only. Keep out of reach of children. Avoid eye and excessive skin contact. Do not swallow. Wash thoroughly after handling.

## 8. Exposure Controls / Personal Protection

### Personal Protection Equipment:

Avoid contact with skin and eyes. Avoid inhalation of mist. Do not eat, drink or smoke when using any industrial product.

### Respiratory Protection:

Use product in a ventilated area. Respiratory protection is not required.

### Engineering Controls:

Provide adequate ventilation.

### Eye Protection:

Safety glasses. Use goggles if splash protection is required.

### Skin Protection:

Latex or nitrile gloves recommended.

### Other Protective Equipment:

Fresh water source (hose, eye wash or safety shower) in work area is a good idea when handling any workplace product.

## 9. Physical and Chemical Properties

Property	Description
Chemical Family	Biological cleaning and odor control
Appearance	Tan to brown liquid
Odor	No notable odor
pH	No data available
Boiling Point	No data available
Flash Point	No data available
Flammable Limits in Air	No data available
Freezing Point	No data available
Solubility in Water	Complete

## 10. Stability and Reactivity

**Stability:** Stable.

### Conditions to Avoid:

Open flame or extreme heat sources. Avoid storing in direct sunlight and avoid extremes of temperature.

### Materials to Avoid:

Strong oxidizing agents.

### Hazardous Decomposition Products:

None under normal use conditions.

### Hazardous Polymerization:

Will not occur.

# Microbot Clean

## 11. Toxicological Information

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

### Routes of Entry:

Skin: Yes

Eyes: Yes

Inhalation: Yes

Ingestion: Yes

### Health Hazards (Acute and Chronic)

#### Acute:

May cause skin irritation in some sensitive individuals.

#### Chronic:

May cause contact dermatitis in some individuals with sensitive skin.

### Chemicals Listed as Carcinogens or Potential Carcinogens:

NTP: No

I.A.R.C. Monographs: No

OSHA: No

## 12. Ecological Information

Eco-toxicity:

Not known exactly. However, data provided by manufacturers show individual raw materials to have low to moderate aquatic toxicity in species tested.

This material is phosphate-free and is expected to be readily biodegradable.

Environmental Fate:

Not known exactly, but ingredients used are readily biodegradable.

Bioaccumulation:

Not expected to occur because the material is expected to be readily biodegradable.

## 13. Disposal Considerations

Product is non-hazardous and biodegradable. Dispose of unused concentrated material, as well as empty containers, in compliance with federal, state and local regulations.

Packaging may be recyclable. Check local regulations for accepted materials.

## 14. Transport Information

DOT (U.S. Department of Transportation):

Non-Hazardous, Non-Regulated

Marine Pollutant:

Not expected

Proper Shipping Name:

Non-Regulated, Not dangerous goods

UN/NA ID:

Non-Regulated, Not dangerous goods

# Microbot Clean

## 15. Regulatory Information

### SARA Title III Section 313, 312, 311:

No components present in this product are subject to the reporting requirements of these statutes.

### Reportable Quantities of CERCLA Hazardous Substances:

Not listed

### California Proposition 65:

This product is not listed to contain any ingredients listed by the State of California to cause cancer or reproductive toxicity.

## 16. Other Information

### Disclaimer:

This document has been prepared as a courtesy to help assist in the safe handling and proper use of the product under OSHA Hazard Communication Standard (29 CFR 1910.1200) as amended, based on current knowledge of the ingredients at the time of document creation.

This document is intended to describe the product for the purposes of health, safety and environmental requirements only. The Safety Data Sheet relates only to the specific information contained and does not relate to other materials or processes.

The data contained is believed to be correct, current, and presented in good faith. However, because the conditions of use are outside our control, it should not be taken as a warranty or representation, expressed or implied, for which NeverStrip Floor Coatings, or agents acting on its behalf, assumes legal responsibility. This information is provided solely for consideration, investigation, and verification. It should not therefore be construed as guaranteeing any specific property of the product.

Specifications and government regulations may change without notice. This document should not be regarded as legal advice or regulation. For questions relating to specific aspects of the requirements and regulations, please contact the proper regulatory agency. Always check with your local government or transporter.
