Response from
Facility Director:

**“The floors look
amazing. This is
exactly what I
was looking for.”**

GP Flooring Solutions made an LVT floor the star of the show in a VIP dining area.

Upstate New York Onondaga County War Memorial had GP Flooring Solutions (“GP Flooring”) renovate luxury boxes, VIP dining area and restrooms with Tandus-Centiva LVT and porcelain flooring. GP Flooring then applied NeverStrip Vinyl Seal™ and NeverStrip Tile Seal™ to the LVT and porcelain, respectively.

Larry Riggi, GP Flooring, said, “The NeverStrip products were applied to achieve a higher-end appearance and to complement the clientele. Also, GP Flooring knows Vinyl Seal and Tile Seal provide an easy to clean, long lasting, durable floor care system”

The War Memorial could not be happier. The floor and NeverStrip have been down for six months. The Facility Director says, “The floors look amazing, with only a daily spot mopping and weekly auto scrubbing.”
