Facility Discussion

IV. CLOSING SECTION

- Next Meeting Date: 2022 Nov____at ___pm Adjourned at A.
- B.

10.26.22 Executive Summary

Reporting:

- Amanda Woods, Registrar AAK
- Hazel Velez, Site Coordinator, Community Learning Center AAK
- Shannon Gossard, Director of Business & Operations MEG

ACADEMIC

Accountability

UIP Submitted

Curriculum/Arts-Integration

- Benchmark Workshop Professional Development will be provided in the spring.
- Showcase is scheduled for November 16th 5:30-6:30

CULTURE

PTA

- New President: Jenn Wright
- Start fundraising to support teachers
- Look into ways to have ongoing fundraising for the school
- Will be up for official approval in November board meeting after proposed policy is voted on today

Community Engagement

- 3 Students have artwork selected for the bus stops in town
- Documentary with MOCA on our mask project
- Open House scheduled for November 1st Open Enrollment

COMMUNITY LEARNING CENTER (CLC)

- Ongoing interviews to fill the position for Morning CLC
- Student Parent had a conversation with me about having some connections for buses and drivers!
- A conference was attended for the 21st Grant

- I am in awe at the ongoing support and resilience of this team and stepping up while I was out.
- Successful Fall Break!
 - We divided into Harry Potter Houses and did Battle of Houses
 - Students got the chance to earn House Points based off positive behavior and House Battles

- Reflection on Break
 - o Thinking about adding a cut-off time for Drop-Off

STAFFING

- Cassidy, new custodian
- New subs!

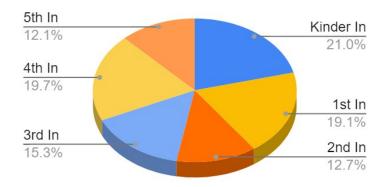

ENROLLMENT

We are getting a few calls a week asking about 23/24 enrollment. Nichole has given several tours for those families. We are hosting an Open House on November 1st for families prior to Open Enrollment.

FINANCE/OPERATIONS

Please see attached draft revised budget for review.

Open Enrollment is approaching. We do not have final numbers from InTandem yet but will have them prior to the next board meeting. The intent is to continue to cover the lowest plan at 100%. There were nominal decreases to our EAP and our Dental and Vision did not see any increases.

Note on Data Source: Demographic data included in CARS comes from the annual student October Count files. *Geo.Dist refers to the district in which your school is located (your school's geographic district).

Participation

The School Performance Framework now includes participation descriptors for school plan types that have low participation rates. These descriptors include:

- **Low Participation** is for schools with test participation rates below 95 percent in two or more content areas. The participation rate used for this descriptor includes students as non-participants if their parents formally excused them from taking the tests. Because low participation can impact how well the results reflect the school as a whole, it is important to consider low participation in reviewing the results on the frameworks. Participation rates are also reported on the first page of the frameworks, along with the achievement results on the subsequent pages.
- **Decreased Due to Participation** indicates the plan type, or rating, was lowered one level because assessment participation rates fell below 95 percent in two or more content areas. Parent refusals are excluded from the calculations for this descriptor. According to the State Board of Education motion, schools and districts will not be held liable for parental excusals.

The tables below contain participation rates as shown on your school's Performance Framework, as well as test participation rates disaggregated by test.

CMAS ELA: School Status, Trends, and Local Comparison Graphs

Achievement Status and Local Comparison Narrative

The graphs above show schoolwide performance on the EBRW state assessment over time disaggregated by grade and class level. From 2016 to 2022, overall student achievement decreased by 13.4 scale score points. Since last school year, overall mean scale score decreased by 10.3 scale score points.The graphs on the bottom half of the page show the performance of the school in comparison to the geographic district (Poudre R-1) for the past five years. Overall, the school performs lower than their geo. district by 17.7 scale score points.

English Language Arts Subgroup Achievement

CMAS ELA: Subgroup Status, Gap Trends, and Local Comparison Tables

- -How are traditionally underserved students achieving on state assessments in English Language Arts over time?
- -How are traditionally underserved students achieving on state assessments compared to their peers over time?
- -How are traditionally underserved students achieving on state assessments in comparison to other schools in their □

geographic home district or schools that students might otherwise attend?

Geographic District

Growth Status and Local Comparison Narrative

The graphs show schoolwide growth on the ELA state assessment. From 2017 to 2022, overall student growth increased. Since last year, student growth increased by 16 percentile points. In 2022, overall student growth exceeded state expectations and was above the geo. district. Overall student growth for the geo. district has increased over time.

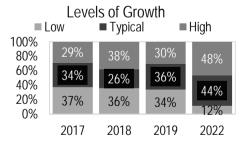

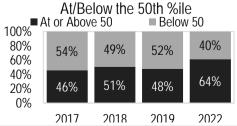

CMAS ELA: Levels of Growth Tables and Graphs

-How is student growth distributed across growth levels over time?

ELA Levels of Growth										
CMAS ELA	%Students									
Category	2017 2018 2019 202									
Low (below 35)	37%	36%	34%	12%						
Typical (35-65)	34%	26%	36%	44%						
High (above 65)	29%	38%	30%	48%						

ELA At/Below 50th %ile											
CMAS ELA		%Students									
Category	2017	2017 2018 2019 202									
At or Above 50	46%	51%	48%	64%							
Below 50 54% 49% 52% 40%											

Levels of Growth Narrative

Students with low growth rates, categorized as students with a median growth percentile (MGP) below 35, account for 12% of students with growth scores (students in fourth through eighth grades) while students with high growth rates, categorized as students with a MGP above 65, account for 48% of students. The percent of students at or above the 50th percentile has increased from last year (48% to 64%). Since 2017, the percent of students at or above the 50th percentile has increased (46% to 64%).

CMAS Math: School Status, Trends, and Local Comparison Graphs

Achievement Status and Local Comparison Narrative

The graphs above show schoolwide performance on the Math state assessment over time disaggregated by grade and class level. From 2016 to 2022, overall student achievement decreased by 17.9 scale score points. Since last school year, overall mean scale score decreased by 13.5 scale score points. The graphs on the bottom half of the page show the performance of the school in comparison to the geographic district (Poudre R-1) for the past five years. Overall, the school performs lower than their geo. district by 21.1 scale score points.

CMAS Math: Subgroup Gap Trends Graphs

Achievement Subgroup Status and Local Comparison Narrative

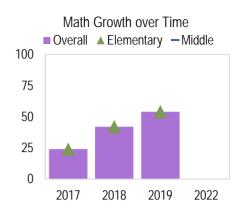

The graphs above show the performance of student subgroups on the Math state assessment over time. CMAS results show non-FRL students outperformed their FRL peers, minority students outperformed their non-minority peers, overall, Poudre R-1 outperformed the school. In 2022, the following geo. district subgroups outperformed subgroups in the school: FRL, - additional details are available in the graphs.

[^]ACCESS subgroup status and gap trends are not available due to low student counts. CSI can provide this data to schools if requested.

What is On Track Growth? This metric reports whether students are on-track to achieve language proficiency. As CDE states, "The Colorado growth model calculates projected targets that indicate how much growth would be required for an individual student to achieve a specified level of proficiency within 1, 2, or 3 years. These projected targets can then be compared against the student's observed growth percentile to determine whether the student is on-track to meet their proficiency goal within the allotted timeline".

Improvement Plan Information

Additional Information about the school

The Academy of Arts and Knowledge is a small school community that focuses on ensuring every individual excels socially, emotionally, and academically. AAK values every member of our community through providing a robust, arts integrated education that is personalized to meet individual needs. AAK offers an enhanced school year and Community Learning Center provides the opportunity for students to explore their interests and expand on areas of passion.

The Academy of Arts and Knowledge is setting goals to implement and streamline Colorado Department of Education approved curriculums. Implementing an approved curriculum will increae academic achievement and reduce the number of students qualifiing for READ Plans.

Contiinuing to offer an extended school year in conjunction with our Community Learning Center will improve attendance and school participations rates. These options will increase the opportunities for family and community engagement.

Narrative on Data Analysis and Root Cause Identification

Description of School Setting and Process for Data Analysis

The Academy of Arts and Knowledge's Mission: Within a supportive school community, The Academy of Arts & Knowledge offers a robust arts program that complements core academics, fosters critical thinking skills and creates confident, creative individuals with the freedom to reach their full potential. Vision: Provide an environment that allows every student to reach their full potential. Students at the Academy receive instruction in reading, writing, math, science and social studies based on the Colorado Academic Standards, with the fine arts integrated throughout. All of our students receive 300 minutes of music, art, dance and drama per week. Our teachers provide a safe learning community that allows students to take risks in their learning while treating each student as unique individuals and giving them opportunities to let their creativity flourish. AAK offers a non-traditional school calendar to ensure adequate academic achievement. Students attend school for 175 days with breaks spread out throughout the year and a shorter summer break. This model has been implemented to improve the social emotional well-being of students and staff. This model was also implemented to reduce the summer slide which can occur during a 12 week break.

AAK is located in Fort Collins, Colorado and serves students within 50 miles of our location. Our student population is made up of students living in many of the communities located in Northern Colorado. The Academy of Arts and Knowledge is authorized through the Charter School Institute and is authorized through 2026.

Current enrollment for the 2021-2022 school year is 152, that is down 33 students from the prior year. As enrollment begins to increase, AAK's enrollment goal for 2022-2023 is 200 students. We offer full-time enrollments as well as part-time homeschool enrollments. The Academy of Arts and Knowledge also offers a Community Learning Center (CLC). Our CLC offers free before and after school programming as well as educationally based programming during our extended breaks. CLC currently has 115 students enrolled and receiving services provided within this program.

AAK's School Accountability Committee is responsible for reviewing the past UIP and making recommendations for current priority improvement challenges, root causes, and improvement strategies on the current UIP based on performance and SPF data presented by the Principal. Specifically, the SAC is working to develop action steps and implementation benchmarks, data collection, increasing engagement, and the social and emotional well-being of all students The Principal will ultimately write the draft of the UIP, which will be edited, reviewed, and approved by the SAC in July, presented to the board of directors, and then submitted to CSI by August. The SAC meets every other month and on an as-needed basis if necessary. Members of the SAC include the principal, a primary teacher and intermediate teacher, and three parent representatives, one of which is also a member of the school's PTO.

Prior Year Targets

Provide a summary of your progress in implementing the Major Improvement Strategies and if they had the intended effect on systems, adult actions, and student outcomes (e.g. targets).

The Academy of Arts and Knowledge had three Major Improvement Strategies stemming from the 2020 school year.

The first Major Improvement Strategy was addressing a low percentage of grade level preparedness. As of the 2020 school year, 47.25% of AAK K-3 students are reading below or well below benchmark on the State approved READ ACT assessment tool Acadience (DIBELS next).

This was addressed by supplementing literacy instruction with Fundations Phonemic Instruction. AAK also added 30 additional intervention minutes to their master schedule. This allowed for all students to receive targeted literacy instruction at their reading level.

Data shows as of the end of the 2022 school year 36% of k-3 students qualify for READ Plan and are reading below grade level or well below grade level on the State approved READ ACT assessment, Acadience (DIBELS Next). This is an 11% decrease in the number of students with a Significant Reading Deficiency (SRD).

Low achievement in math was also addressed as a Major Improvement Strategy. Data from the 2019-2020 school year indicates 40.6% of 3-5 grade students scored below the mean RiT score on the NWEA MAP assessment in Math MOY 2019-2020. BOY mean Rit was 41.3% below norm.

During the 2021-2022 school year data was collected using NWEA MAPS three times, beginning, middle and end of the school year. As data was collected math intervention groups were formed in grades 4 and 5. These groups targeted grade level instruction as well as foundational skills.

Lack of cognitive engagement opportunities for grade level development was our last Major Improvement Strategy. Cognitive engagement opportunities do not only constitute time but also depth and breadth of learning opportunities. This strategy was due to activities not being delivered in the same manner as highly engaging in person activities would have been. The steps AAK took to increase engagement was a consistent online approach with all core subjects being delivered by the teacher while online. The 2021-2022 was in-person therefore all activities were highly engaging and improved the depth of knowledge. To support further growth in our students we created a new calendar year that included extended breaks and a shorter summer. We also implemented our Community Learning Center and offer free before and after school care with academic opportunities.

Based on your reflection and evaluation, provide a summary of the adjustments that you will make for this year's plan.

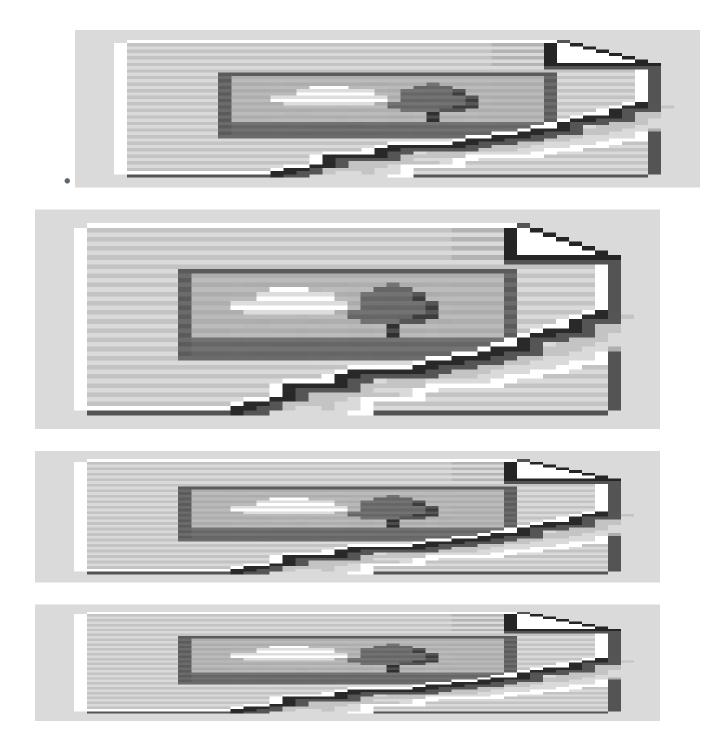

The Academy of Arts and Knowledge will continue to have a focus on literacy and math to improve academic achievement. AAK will implement a new research based curriculum approved by The Colorado Department of Education. Interventions for math will continue to support progress made in the 2021-2022 school year. AAK will continue to offer only in-person learning for all students. The Community Learning Center will not only continue to provide additional opportunities for students, AAK will continue to expand the program.

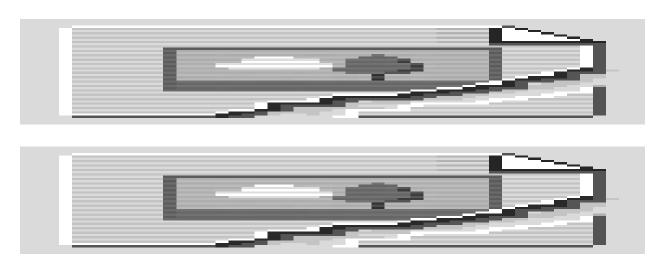

Current Performance

- CMAS 2022
 - ELA CMAS Academic Achievement

Math CMAS Academic Achievement

- ACCESS data-with only 3% of the student population testing, there is no data to report.
- DIBELS Data Review

Grade	Well Below BOY/EOY	Below BOY/EOY	Benchmark BOY/EOY	Above BenchmarkBOY/EOY	% at/or Above Benchmark
Kindergarten	7/4	8/12	10/9	5/10	46%
1st Grade	17/15	4/2	5/3	3/11	45%
2nd Grade	10/9	2/7	5/3	2/2	24%
3rd Grade	10/10	3/2	1/3	12/10	52%

4th Grade	3/1	4/9	9/7	13/16	70%
5th Grade	2/3	10/5	3/2	1/7	53%

[•] MAPS Data (RIT Score:This score represents a student's achievement level at any given moment and helps measure their academic growth over time.)

Grade	Math: % Met or Exceed Projected RIT Score	Reading: % Met or Exceed Projected RIT Score
Kindergarten	74%	68%
1st Grade	63%	68%
2nd Grade	50%	67%
3rd Grade	50%	60%
4th Grade	68%	66%
5th Grade	53%	40%

- READ ACT-At the end of the 21-22 school year AAK had 36% of students, Kindergarten-3rd grade on READ Plans. This is an 11% decrease from the 20-21 end of the year data.
- AAK uses assessments and the data they provide to determine interventions and extended learning opportunities. Data is presented to our School Accountability Team and our School Board. This provides the opportunity for feedback on academic achievement of our students. Data is used to determine curriculum, planning, and intervention grouping. A lack of academic achievement has determined the need to purchase and implement a CDE approved comprehensive reading curriculum. Math remains to show higher academic achievement and indicates we will continue to provide professional development opportunities to increase the teacher's ability to implement the curriculum with fidelity.

Additional Trend Information:

AAK is currently on an upward trend on CMAS. Data shows an increase of 4% on Language Arts Academic Achievement and Academic Growth. Students showed a 7% increase in growth on Math CMAS results. This is a notable upward trend from the 2021 school year.

CMAS results from 2022 are considered year 1. AAK is showing high growth yet low academic achievement. This will be a focus as we collect more data on achievement with local and state assessments since we are missing data from the 2021 school year due to not all students being required to test in all subjects.

AAK has adopted Benchmark Workshop, a CDE READ ACT approved curriculum in grades Kindergarten-Third to increase academic growth and achievement on state and local data.

Local data shows an decrease of 11% in the number of students with a Significant Reading Deficiency from the end of the 2021 school year.

Math data shows 50%-79% of students met or scored above their projected RIT score on NWEA Maps assessments at the end of the 2022 school year. This is an increase of 8% for fourth grade from the 2020-2021 school year. Grades 3 and 5 continue to show 40%-50% of students met or exceed their RIT score on NWEA Maps assessments.

AAK has increased engagement in the school community by 20% since 2021. AAK had an enrollment of 152 students attending and engaging in academics during the 2021-2022 school year. AAK is currently serving 176 students at the start of the 2022-2023 school year. The increase of engagement in the school community is due to the increase in personalized learning options offered to all families before and after school. This is a notable positive trend impacting consistent engagement in academics and extra curricular activities.

Priority Performance Challenges and Root Causes

Priority Performance Challenge: Increase academic growth and acheivement in reading for all students.

Students will increase academic growth in reading on local assessments to 75% of all students meeting or exceeding grade level benchmarks.

Root Cause: Inconsistent Language Arts Curriculum in grades K-3.

AAK has not been using a CDE READ Act Language Arts Curriculum. Grade level teams have been using multiple curriculums to create language arts lessons.

Root Cause: Lack of implementation of phonics and phonemic awareness instruction.

A research based curriculum teaching the science of reading has not been implemented.

Priority Performance Challenge: Increase academic growth and achievement in math for all students.

Students will increase academic acheivement in math on local assessments to 75% of all students meeting or exceeding grade level benchmarks.

Root Cause: Lack of foundational skills in math.

Inconsistent practices in implementing the math curriculum.

Priority Performance Challenge: Increase engagement in the school community by increasing in total enrollment.

AAK will continue to expand personalized learning options to increase total enrollement and consistent engagement by 20% to 38% by the end of the 2022-2023 school year.

Root Cause: Inconsistent personalized learning options.

AAK has not had the personlized learning options needed to increase engagement and arts integratation to the core subjects.

Root Cause: Lack of options for families to midigate no transportation.

With no transportation options AAK has not had the extra curriculuar options to increase enrollment and engagement in the school community.

Magnitude of Performance Challenges and Rationale for Selection:

An increased trend in academic achievement in reading is needed, although we have shown a decrease in students with a READ plan there is still a significant number of students that are well below and below grade level benchmarks. Currently 24% of 2nd graders are at or above grade level benchmarks. Kindergarten, 1st and 3rd grade have 45%-52% of students at or above grade level benchmarks.

Math continues to show an average of 40% of students meeting or exceeding grade level benchmarks. Growth continues to be noted with small increases in all grades but are not meeting the growth needed to ensure a year's worth of growth in 3rd-5th grade.

Enrollment and academic engagement continues to be a focus due to a severe decline of enrollment from pre pandemic. With a decline of 63 students from 2019-2020 to the 2021-2020 school year, the school community has been drastically impacted.

Magnitude of Root Causes and Rationale for Selection:

AAK administration has worked with teachers, SAC, and our school board to research and adopt a CDE READ Act approved Language Arts curriculum. These discussions began after noting end of year data in reading and the lack of students meeting or exceeding grade level benchmarks. Math data was also presented to all stakeholders and it has been determined that these needs to remain a focus to increase our academic growth.

With a declining enrollment for 2 years AAK administration, the School Accountability Committee and their school board have determined two associated root causes. AAK continues to focus on these areas to increase enrollment and offer out of school programming to our families.

Action Plans

Planning Form

Implementation of a new language arts curriculum.

What will success look like: AAK will implment Benchmark Workshop with fidelity in grades k-3. Students will receive a researched based language arts curriculum to improve academic growth and reduce the percentage of students on a READ Plan.

Describe the research/evidence base supporting the strategy and why it is a good fit: Benchmark Workshop is a CDE READ Act approved curriculum focusing on the science of teaching reading. Using a researched based curriculum with fidelity will improve student's academic growth and achievement in reading.

Associated Root Causes:

Inconsistent Language Arts Curriculum in grades K-3.:

AAK has not been using a CDE READ Act Language Arts Curriculum. Grade level teams have been using multiple curriculums to create language arts lessons.

Lack of implementation of phonics and phonemic awareness instruction.:

A research based curriculum teaching the science of reading has not been implemented.

assessments

Meetings

Implementation of Math Intervention

What will success look like: Grades k-5 will implement a 30 minutes math intervention time to support the foundation skills in math.

Describe the research/evidence base supporting the strategy and why it is a good fit: Targeting the foundational skills in math through targeted interventin will support math growth and achievement.

Associated Root Causes:

Lack of foundational skills in math.:

Inconsistent practices in implementing the math curriculum.

Implementation Benchmarks Associated with MIS

School Target Setting

Teaching

Opportunities

Priority Performance Challenge: Increase academic growth and acheivement in reading for all students.

PERFORMANCE INDICATOR: Academic Achievement (Status)

MEASURES / METRICS: ELA

ANNUAL
PERFORMANCE
TARGETS

2022-2023: Academic achievement will be monitored by local and state assessments throughout the year. 75% of students in all grade levels will meet or exceed grade level benchmarks as determined by local assessments.

2023-2024: Academic achievement will be monitored by local and state assessments throughout the year. 80% of students in all grade levels will meet or exceed grade level benchmarks as determined by local assessments.

INTERIM MEASURES FOR 2022-2023: MAPS Assessment: Academic achievement will increase by: Kindergarten from 68% to 75% 1st Grade from 68% to 75% 2nd Grade 67% to 75% 3rd Grade 60% to 75% 4th Grade 66% to 75% 5th Grade 40% to 75%

Priority Performance Challenge: Increase academic growth and achievement in math for all students.

PERFORMANCE INDICATOR: Academic Achievement (Status)

MEASURES / METRICS: M

ANNUAL
PERFORMANCE
TARGETS

2022-2023: Academic achievement will be monitored by local and state assessments throughout the year. 75% of students in all grade levels will meet or exceed grade level benchmarks as determined by local assessments.

2023-2024: Academic achievement will be monitored by local and state assessments throughout the year. 80% of students in all

grade levels will meet or exceed grade level benchmarks as determined by local assessments.

INTERIM MEASURES FOR 2022-2023: MAPS Assessment: Academic achievement will increase by: Kindergarten from 74% to 80% 1st Grade from 63% to 75% 2nd Grade 50% to 75% 3rd Grade 50% to 75% 4th Grade 68% to 75% 5th Grade 53% to 75%

Priority Performance Challenge: Increase engagement in the school community by increasing in total enrollment.

PERFORMANCE INDICATOR: Student Engagement

MEASURES / METRICS: Supplemental Measure(s)

ANNUAL
PERFORMANCE
TARGETS

2022-2023: Increase enrollment from 152 students to 190 students.

2023-2024: Increase enrollment from 190 to 210 students.

INTERIM MEASURES FOR 2022-2023: Enrollment will be measured after the October count date to meet the 190 student goal. Enrollment for the 23-24 school year will begin to be tracked as of November 1st.

PERFORMANCE INDICATOR: Student Engagement

MEASURES / METRICS: Attendance

ANNUAL
PERFORMANCE
TARGETS

2022-2023: Increase the number of personalized learning options for students attending CLC. Increase from 5 options to 10 options for students to participate in.

2023-2024: Increase from 10 options to 15 options including a variety of STEM classes to compliment our musical and theater options.

INTERIM MEASURES FOR 2022-2023: By January 2023 AAK will offer 10 personlized learning options that will include athletics and STEM activities to compliment the musical and theater options currently being offered.

Executive Summary

Academy of Arts & Knowledge (AAK) Monthly Financials as of September 30, 2022

Balance Sheet

Total Assets are \$972,021 with outstanding accounts receivable of \$82,217, which relates to reimbursable grant funds AAK has been awarded, including food service reimbursements.

Total Liabilities are \$135,087. Accrued contracts payable for utilities has been recorded for the first quarter of the fiscal year and accrued salary and benefits are for the 2nd payroll of September that will be paid on 10/15/22.

Total Fund Balance is \$836,935. Fund balance is made up of TABOR reserves of \$48,500 and Unassigned/Unrestricted amounts of \$788,435.

Profit & Loss - Proposed Budget vs Actuals

Revenues

For the period ending September 30, 2022, the AAK actual revenues total \$546,099 or 22.63% of the Proposed budget amount of \$2,413,663. AAK is 25.00% through the fiscal year.

Per Pupil funding is currently \$9,043.64 for 200 sFTE (student full time equivalent); October count for the year is estimated at 174sFTE. An adjustment has been made for the amount received to show more accuracy for the reduction in sFTE (reclassed to unearned revenue on the balance sheet).

Expenditures

For the period ending September 30, 2022, total expenditure are \$508,869 or 22.64% of the Proposed budget amount of \$2,247,976.

Salary and Benefits account for \$250,082 or 49.14% of total actual expenditures

AR Aging Detail – this report shows amounts due to AAK as of September 30, 2022

AP Aging Detail – this report shows the payable amounts to vendors as of September 30, 2022; all invoices have either been paid or are in the process of being paid as of the reporting date

FY22 Profit & Loss to date with prior year comparison – Year to Date comparative data with prior year

FY22 Profit and Loss by Fund/Grant - Profit & Loss showing by the funding sources used by AAK over the fiscal year and what expenditures relate to those revenues

Instructional vs Support Services vs Food Service

Instructional expenditures for the period ending September 30, 2022, totaled \$191,656 or 37.65% of total actual expenditures

Support services (excluding food services) totaled \$303,232 or 59.59% of total actual expenditures

Food service expenditures total \$12,427 and is 2.41% of actual expenditures

Academy of Arts and Knowledge

Creating an environment in which all students can reach their full potential.

4800 Wheaton Dr. Fort Collins, CO 80525 Phone (970) 2226-2800

Fax (970) 316-6754

The Academy of Arts & Knowledge recognizes that state and federal law requires its students to take the CMAS (English language arts, math, science and social studies) standardized assessments in grades third through fifth. AAK will administer ACCESS for all qualifying students. Accordingly, AAK shall administer standardized assessments pursuant to these state and federal legal requirements.

State law also requires the school to adopt policies and/or procedures concerning the use of pencil and paper on the computerized portion of state assessments; parent requests to excuse their children from taking state assessments; and, the school's assessment calendar. This policy and its accompanying regulation represent the school's processes to address these requirements.

AAK will utilize the online version for CMAS ELA, math, science, and social studies assessments in grades third, fourth, and fifth. AAK will utilize the online version of the WIDA ACCESS assessment. The technological capacity and resources of AAK are now compatible with the computerized format at this time. Should this situation change in the future, this policy will be updated accordingly.

For students with disabilities, the use of pencil and paper or a computer to complete a state assessment shall be determined by the student's Individualized Education Program (IEP) team or Section 504 team, in accordance with applicable law.

Also included are the Colorado Alternate Assessment (CoAlt) which covers ELA, math, science, and social studies. This is administered to students with significant cognitive disabilities who are instructed and assessed on alternate achievement standards. A student's IEP team makes the determination if a student qualifies for the alternate assessment following criteria provided by the Colorado Department of Education Exceptional Services Unit via the eligibility worksheet. For students with disabilities, the use of pencil and paper instead of a computer to complete a state assessment shall be determined by the student's Individualized Education Program (IEP) team or Section 504 team, in accordance with applicable law.

In accordance with state law and this policy's accompanying regulation, the school shall develop an assessment calendar and related information for parents/guardians on an annual basis to inform them about the state and school assessments that the school plans to administer during the school year. This information shall also be posted on the school's website. At a minimum,

Academy of Arts and Knowledge

Creating an environment in which all students can reach their full potential.

4800 Wheaton Dr. Fort Collins, CO 80525 Phone (970) 2226-2800

Fax (970) 316-6754

the school assessment calendar shall include:

- An estimate of the testing hours required on each testing day;
- Whether the assessments are required by federal and/or state law or was selected by the school;
- The purpose of the assessment;
- The manner in which the assessment results will be used by the school and by the Colorado Department of Education (if applicable).

AAK will strongly encourage families to participate in all school assessments as part of school-wide expectations. A parent/guardian who wishes to exempt his or her child from CMAS assessment may request that his or her child be exempt from participating in one or more state assessments and by following these guidelines:

- The request for exemption must be submitted in writing to the Principal. The request forms are available at the front office.
- The parent/guardian will not be required to state the reason for asking for the exemption unless they wish to.
- The request for exemption may apply to all or specific state assessments administered to the student during the school year.
- A request for exemption will be valid for one school year. Requests for exemption from state assessments in subsequent school years require a new written request.
- Parents/guardians are encouraged to submit their requests for exemption at the earliest possible date each school year so that the school may plan accordingly.

In accordance with state law, the school shall not impose a negative consequence upon a student whose parent/guardian has requested an exemption from a state assessment. This policy's exemption process shall apply only to state assessments and shall not apply to school or classroom assessments and will be reviewed annually by our School Accountability Committee (SAC).

AAK Board Subcommittee And Sanctioned Organization Policy

Purpose and Scope: This policy addresses requirements for subcommittees or organizations sanctioned by, sponsored by, authorized by, or representing the Board of Directors (BOD), including but not limited to the Parent Teacher Organization (PTO), Parent Action Committee (PAC) and Booster Club (BC). In the event of a conflict between this policy and currently approved organizational bylaws the directives outlined in this policy shall apply.

1.0 Subcommittees

1.1 Subcommittees are created by the BOD as required

- Vote to create a subcommittee will include at a minimum:
 - Committee size and makeup
 - Any BOD authority or responsibilities delegated to the subcommittee
 - Committee purpose and goal
- Subcommittees may be permanent or temporary
- At the request of the subcommittee chair the BOD may suspend operations for permanent subcommittees when they expect the committee to be required at a later date
- All BOD subcommittees will include in their membership at least one BOD member
 - A BOD member will chair the subcommittee
- All permanent BOD subcommittees will develop and publish a mission statement
- The subcommittee chair is responsible for developing any written policies required for the operation of the subcommittee
 - All subcommittee policies will be reviewed and approved by a simple majority vote of the BOD membership

2.0 Sanctioned Organizations

2.1 Covered Organizations

- Organizations meeting any of the following criteria must be sanctioned by the BOD prior to operating:
 - Use the School and/or any applicable names or logos
 - Use the School email system or email distribution lists
 - Perform fundraising in the name of the School
 - Perform fundraising on School properties or at a School sponsored event
 - Conduct operations in the name of the School
 - Conduct operations on the School properties
 - Any organization that represents itself as being affiliated with the School
- The BOD may by unanimous vote exempt an organization from this policy.
 This option is at the sole discretion of the BOD

2.2 Sanctioning Process

- Any organization wishing to be sanctioned shall:
 - Request in writing to be added as a discussion item on a BOD meeting agenda
 - The board will respond within ten business days in writing with the date and time of the meeting when the request will be discussed.
- The requester shall bring draft mission statement, vision statement, and bylaws to the BOD meeting
 - o Parent-led organizations will develop and publish a mission statement
- The BOD will work with the requesting organization to finalize and approve the organization bylaws
 - The BOD will attempt to finalize organization bylaws within sixty days of the BOD meeting at which the request was first discussed
 - The BOD may choose to have the School attorney review proposed organizational bylaws. The BOD may also require the requesting organization to cover any and all fees associated with the legal review.
- The organization may not begin operations until after the organization is sanctioned by the BOD through a simple majority vote and review of any mission statement.
 - Operations include but are not limited to:
 - Use of the School names or logos

- Use of the School facilities or email system
- Any fundraising planning or activity
- Mass parent or student contact other than interest surveys with prior approval from the BOD
- The BOD may by a simple majority vote grant an interim to the requesting organization
- Interim approval will be reflected in BOD meeting minutes and shall define what activities are allowed and for what time period the interim approval is valid.

2.3 Board Sanction

- Receiving BOD Sanction
 - The BOD will vote to approve by a simple majority the organization's sanction and the organization's bylaws
 - Any modifications to the organization's bylaws must be approved by a simple majority of the BOD
- Maintaining BOD Sanction
 - In order to maintain BOD sanction/endorsement a sanctioned organization/subcommittee at a minimum must:
 - Comply with all existing BOD policies and directives
 - Directives include verbal, written, and email communications from the BOD indicated to be directive in nature. Verbal direction should be followed up with a written or email notification. Approved BOD minutes are considered a form of official written notification.
 - BOD policies include BOD policies, school operations policies, and Charter Authorizer policies relevant to the School as determined by the BOD
 - Policies may be modified, added, or deleted at any time. Sanctioned organizations are expected to comply with all approved policies. In the event of a new requirement, a reasonable amount of time will be set by the BOD for organization compliance.
- Comply with all School staff member direction

- Staff members acting as agents of the BOD must be considered authoritative at all times. In the event of a disagreement between organization leadership and staff, the staff member direction shall be considered a BOD directive until such time as the BOD can formally address the issue
- Comply with BOD approved organization bylaws
 - Changes to organization bylaws must be approved by the BOD

Remedy for Non-Compliance

The following are guidelines for remedy of noncompliance. At the sole discretion of the BOD, noncompliance may be remedied by any actions approved by the BOD through a unanimous vote. All actions involving activity suspensions of thirty days require a five business day public notification of BOD vote. Actions involving longer suspensions or removal of officers require a ten business day public notification of BOD vote.

- Level One Remedy
 - Remedy approved by BOD simple majority vote
 - Email notification to BOD point of contact and organizational email informing organization of violation and requesting resolution of non-compliance by a BOD determined date.
- Level Two Remedy
 - o Remedy approved by BOD unanimous vote
 - Email notification to BOD point of contact and organizational email informing organization of violation and requesting resolution of non-compliance by a BOD determined date.
 - If the BOD deadline for resolution is not met, all organizational functions are suspended until non-compliance is remedied.

Level Three Remedy

- Intent to vote on remedy is posted in the BOD approved public notice posting location five business days prior to vote
- Remedy approved by BOD unanimous vote
- Email notification to BOD point of contact and organizational email informing organization of violation and requesting resolution of non-compliance by a BOD determined date.

 All organization functions are suspended for thirty days and until the non-compliance is remedied.

Level Four Remedy

- Intent to vote on remedy is posted in the BOD approved public notice posting location ten business days prior to vote
- Intent to vote on remedy is included in the school weekly email to parents
- Remedy approved by BOD unanimous vote
- Email notification to organizational email informing organization of violation and requesting resolution of non-compliance by a BOD determined date. All organization functions are suspended until a joint meeting is held between the BOD and the organization officers. The BOD may choose to suspend organization operations until the organization process to replace officers is exercised.

Level Five Remedy

- Intent to vote on remedy is posted in the BOD approved public notice posting location is posted ten business days prior to vote
- Intent to vote on remedy is included in the school weekly email to parents
- Remedy approved by BOD unanimous vote
- Email notification to organizational email informing organization of violation and requesting resolution of non-compliance by a BOD determined date. All organization functions are suspended for the remainder of the school year. The BOD may choose to suspend organization operations until the organization process to replace officers is exercised.

Level Six Remedy

- Intent to vote on remedy is posted in the BOD approved public notice posting location twenty business days prior to scheduled vote
- Intent to vote on remedy is included in the school weekly email to parents
- Remedy approved by BOD unanimous vote
- Organization is dissolved and BOD takes over finances for the organization. Once outstanding debts are resolved the remaining funds in the organizational accounts will be transferred to the general fund.

Removal of Members/Officer

 Per Section 4 of the "Subcommittee and Sanctioned Organization Elected and Appointed Position Eligibility Policy," the BOD has final authority concerning the eligibility of elected and appointed positions, and the removal of elected or appointed individuals of subcommittees and sanctioned organizations.

2.4 Board Communications

BOD Point of Contact

- The BOD considers the president or ranking officer in the organization the BOD point of contact.
- The ranking officer may delegate this responsibility by identifying the desired point of contact and providing contact information to the BOD.
- The BOD requires contact information for all organization officers or leadership.
 Minimum contact information will include names, phone numbers, and email addresses.
 - The BOD will be notified within 5 business days of any change in organization officers or leadership
 - The BOD will be notified within 5 business days of any change in organization officers or leadership contact information

BOD Email Communications

- Email correspondence from the BOD may be copied to an organizational account but it will be addressed to the BOD point of contact
- Failure to respond to BOD email within five business days will be considered non-compliance and they BOD may choose to initiate a remedy action

BOD Meeting Requests

- Official BOD meeting requests will be addressed to the BOD point of contact and copied to the organization email account
- Failure to respond to a BOD meeting request within five business days will be considered non-compliance and the BOD may choose to initiate a remedy action

 Coordination of organization officers or leadership to support a BOD requested meeting is the sole responsibility of the president or ranking officer of the organization

BOD Reports

- The BOD requires a report from all sanctioned organizations monthly. Failure to comply with monthly reporting requirements will be considered noncompliance and the BOD may take remedy actions
- Organization monthly reports are due to the BOD email account NLT than five business days prior to the regularly scheduled BOD monthly meeting
- Organization monthly reports shall be submitted electronically
 - Hardcopies will not be accepted
 - Information contained on the monthly report should be as current as possible but must at least be current as of the Friday before the report due date.
 - Representatives may attend and/or be asked to attend meetings to address BOD questions

2.5 Contracts

Scope of Contracts

- Organizations and Subcommittees are not agents of the BOD they may not enter into any contract with a scope beyond their own organization
- Organizations may not enter into any contract with a period of performance that extends beyond the current term of the officers signing the contract

Contract Approval

- Any contract signed by a sanctioned organization or subcommittee must be approved by a majority vote of the BOD prior to the contract being signed
- Any contract received at least seven days prior to the regular scheduled BOD meeting will be added to the agenda and reviewed at the BOD meeting.
- The BOD will make every effort to approve the contract at that meeting.
- Requesting organization must have in person representation at the BOD meeting or the contract will not be reviewed.

 At the sole discretion of the BOD, the BOD may choose to have a legal review of any submitted contract. The BOD may also require the requesting organization to cover any and all fees associated with the legal review.

Contract Default

 The BOD is not responsible for any breach or default of contract that may result from a remedy action which suspends organizational activities. Any penalties or fees in these situations are the sole responsibility of the organization signing the contract

2.6 Financial Accountability

In addition to the required monthly reports, all subcommittees and sanctioned organizations that have revenues must establish these general accounting practices

- All invoices for payment for goods or services shall require the approval of at least one designated officer of the organization
- All reimbursements to individuals must be accompanied by a reimbursement form that includes a copy of the receipts documenting the expenditure
- No member of the organization shall approve reimbursement to themselves without co-approval by an officer of the organization
- The financial documents and accounting records of the organization shall be accessible upon a reasonable request by the board and its appointed auditor

The BOD also recommends that all subcommittees and sanctioned organizations that have revenues establish these general accounting best practices

- All revenues received should be collected by a person other than the person that prepares the cash deposit
- All cash receipts or cash submissions should be recorded with a receipt and deposited within one business day

2.7 Sales Tax

In accordance with Colorado Tax Code (1968 Code_3-75;Ord.80-105;Ord 01-42) the board defines a school sponsored person as any person who is a student enrolled in the school or is an organization primarily composed of students enrolled in the school. Fundraising organizations should review the tax code for the ramifications of this definition on the requirement to collect sales tax for fundraising activities.

Adopted:
