

Bath Hardware

Elements bath hardware families Fairview, Newbury, and Bridgeport are offered in both plain white box contractor packaging for bulk purchases and retail packaging with attractive design and window cutout for cash-and-carry.

FAIRVIEW

NEWBURY

BRIDGEPORT

Contractor Packaging:

Specifically designed for builders who are simply interested in the hardware and don't need eye-catching packaging, this plain white box includes the Elements brand logo.

Retail Packaging:

Specifically designed for retail environments to appeal to the end consumer when planogrammed on the shelf. Attractive packaging with windows that showcase the product for the end consumer. Retail packaging includes a UPC code printed on the box and English, French, and Spanish translations on all packaging. Internal shrink wrap protects the product in the box from dust/external damage.

1-1/2" Diameter, 18/8 Stainless Steel, 3" Base Diameter, 1-1/2" Wall Clearance, Concealed Mount.
For persons up to 500 lb. Meets ADA requirements. Installation hardware and instructions included.

For best results, use water and a mild soap with a soft cloth. Avoid glass cleaners, general kitchen/bathroom cleaners, and other abrasive cleansers, as those cleaners could damage the finish.

Soap & Water Method:

1. Fill a bowl or sink with warm water, and add a squirt of dishwashing liquid or olive-based soap. Swish the water around with your hand to make suds.
2. Dip a rag into the soapy water and wring it out.
3. Wipe the hardware with the soapy rag. For tough grime, dip a soft toothbrush into the soapy water and scrub gently.
4. Rinse the rag, wring it out, and wipe the hardware to remove the soap residue.
5. Buff the hardware with a dry chamois cloth to polish and shine it.

Vinegar Method

1. For tougher cleaning, use a solution of one part white vinegar to one part water.
2. Moisten a rag with the vinegar solution.
3. Wipe the hardware with the rag. If the rag becomes dirty, rinse the rag with water and remoisten with the vinegar solution.
4. Buff the hardware with a dry chamois cloth for a nice polish and sheen.

Product Warranty

Hardware Resources believes in quality, integrity, and reliability. We uphold the highest standards of service and responsibility in the industry.

As such, Hardware Resources warrants all decorative bath hardware products against defects in material and workmanship as long as the original consumer purchaser owns the products, if the original consumer purchased the products from an authorized distributor of Hardware Resources. Hardware Resources cannot guarantee the quality or condition of products from distributors who do not agree to meet our high standards, and therefore, no warranty is provided for products from unauthorized sellers.

If the finish of any of these items tarnishes, corrodes, rusts, begins to chip or rub off or has any other defect, Hardware Resources will send to the original purchaser, a new replacement product of the same or comparable style and quality at no charge. If a replacement is no longer available, Hardware Resources will refund to the original purchaser, the current wholesale value of the item.

This warranty is a warranty of replacement only. Hardware Resources specifically does not warrant removal of the product nor installation of replacement new product. This warranty does not apply when the item has been tampered with, misused, improperly installed, altered from the original form, or damaged through improper cleaning, abuse or accident.

All brushed and machined finishes are created by hand to add texture to the item. We hold a tight range of acceptance for color variation, however, a slight variance in the texture and tone of these items can occur. We consider these variances to be minimal and are not considered a defect in the product

In the unlikely event that a defective decorative bath hardware item is encountered, please contact Customer Service at 800.463.0660. Please be able to provide a brief description and photographs of the defect.
