M	13	12
L	14	12.5
XL	15	13

UPDATED 10/1/2025

When measuring, note that football pants may be wider than player's normal pant size due to room for non-integrated pads. It is recommended to use a football pants when measuring for the most realistic fit.

If your measurement falls between two sizes:

We recommend sizing up for a relaxed fit with room to grow or sizing down for a tighter, compression style fit.
