Sign-up for STREAM/STEM TODAY!

Dear Campers & Families,

We are starting our 8th Annual Summer Camp with two individual campuses. Have you signed up?

It all begins this Monday, June 12th at 8 am. Starting with Breakfast at 9 am, and then Math, Math, and more Math until Lunch. Then in the afternoon, we are taking our campers on a field trip, which finishes up at 5 pm. Finally, the campers will have Freetime until the day ends at 7 pm. If you have children 3 years old - 10 years old, the program is *STREAM - Science, Technology, Reading, Engineering, Arts, Math, and Music*. We have a full week covering all the above themes during the week.

If your children are heading to Middle and/or high school, their camp is *STEM - Science Technology Engineering, and Math*.

Yolande Beckles

What to Expect this Summer...

This year our team has grown. We have **25 interns from USC's School of Engineering**, working with our students one-on-one so that they return to school ahead of their peers in Mathematics and Science.

We have all the literary favorites for both groups' reading. We take part in all three Summer reading schemes; LAPL (Los Angeles Public Library), LA County, and Santa Monica Public Libraries. Writing comprehension and field trips happen three times a week and of course, the famous Beach House field trip once a month, which all of our students **LOVE**.

This year's camping excursion takes place from *June 24th - June 30th*. This is a partnership with **UCLA**. It's completely free and we are encouraging all of our students to attend.

Costs

This year's costs are \$50 for registration which includes; a Summer Camp 2023 T-shirt and all the tools your children will need for the upcoming 12 weeks.

The camp's weekly fees are \$200 per week. We offer scholarships @ \$100 per week for families on government assistance. Please contact Miss Jamiealita for more support at [32329036486](tel:32329036486) or email her at jam@theknowledgeshopla.com.
