

**WAGEES
WORK AND GAIN EDUCATION
AND
EMPLOYMENT SKILLS
PROGRAM**

The Rock Found is a faith-based nonprofit 501(c)3, which serves as a community partner with The Latino Coalition for Community Leadership. The LCCL is able to fund community partners for the Work and Gain Education and Employment Skills (WAGEES), a community re-entry program created by the Colorado General Assembly. We provide a coordinated delivery of services to parolees who are at high or medium risk for recidivism.

The Rock Found's recidivism rate is less than 5 percent!

(recidivism rate is based on new charges resulting in incarceration while in the program)
